Chapter 11 The Role of Government in Our Economy

Section 11.2 Government as Provider

Reading Activity—Paraphrase

Directions Read the passage, then write a new paragraph that paraphrases the content.

> The role of government in business is not limited to law making. Government also plays a big role in society. It provides key services to the public. It also gives incentives to businesses and people. Other services include providing jobs and distributing income. These activities occur at every level of government.
