Software Tools

Directions: With your teacher's supervision, research software tools for creating or editing media. Complete the following charts, listing the Web site, the name of the program, the price of the software, the software's suggested use, and your comments about the software and Web site. Locate at least four different programs for each of the following media components: animation, video, graphics and sound files.

Software Tools List—Animation Programs

	Site Address	Program Name	Media Type	Approx. Price	Suggested Use	Comments
1			Animation			
2			Animation			
3			Animation			
4			Animation			

Name: _____ Date: _____

Software Tools List—Video Programs

	Site Address	Program Name	Media Type	Approx. Price	Suggested Use	Comments
1			Video			
2			Video			
3			Video			
4			Video			

Software Tools List—Graphics Programs

	Site Address	Program Name	Media Type	Approx. Price	Suggested Use	Comments
1			Graphics			
2			Graphics			
3			Graphics			
4			Graphics			

Name: _____ Date: _____

Software Tools List—Sound Creation or Editing Programs

	Site Address	Program Name	Media Type	Approx. Price	Suggested Use	Comments
1			Sound			
2			Sound			
3			Sound			
4			Sound
