	Access and Manage meteraw-Hill products for this course through Blackboard.	Connect with your classmates and teachers on the Pronto instant messaging system.
	Journals Hide Link	
	Create and manage journals that can be asssigned to each user in a group for the purposes of private communication with the instructor.	

## STEP 3:

From the SimNet section, select Pair with a McGraw-Hill SimNet Course.

(NOTE: Contact your institution system administrator and/or McGraw-Hill Digital Learning Consultant if the SimNet pairing option does not appear within your Blackboard course.)

**STEP 4:** Enter your McGraw-Hill *(Connect)* username and password. If you do not have a McGraw-Hill login, please contact your local sales rep.

**STEP 5:** Enter the school specific URL provided by SimNet when the school registered. If the school specific URL is unknown, click the link below the entry box to search for it. (*Note: If you do not have your institution's Simnet web address, contact your McGraw-Hill rep for additional* 

(Note: If you do not have your institution's Simnet web address, contact your McGraw-Hill rep for additional help in locating the school-specific URL OR, refer to the SimNet registration email that was sent after your SimNet account was created.)

	Connect Learn Sisceed ackboard	
	What SimNet URL would you like to pair the course to?	A State of the second
	https:// .simnetonline.com Next

**STEP 8:** Complete! Select between Return to Bb or Go to SimNet section. Please be advised that the link to SimNet must be deployed into a content folder. From within any content folder in your Blackboard course, select Build Content > McGraw-Hill Content > SimNet to deploy the link.

	Connect Laceed Succeed Relibered	
1.1	Pair your class with SimNet <sup>®</sup>	
	V you're done!	
113	Blackboard Your Blackboard Course ▲ return to Blackboard	114
	here's what you can do next	•
-	Tell your students to register for SimNet	
	Provide your students with the following instructions:	
	Log in to Blackboard.	
	2 Go to your course.	
	3 Click Course Materials or the left-hand menu.	
	4 Click on the SimNet Assignments link.	
	5 Follow the directions on your screen.	

A link to SimNet will now appear in the Content folder of your choice. Instructors and Students will have single sign on access to their SimNet course (students will have to register on the first access).
