McGraw-Hill Ryerson is now developing resources for WNCPC Pre-Calculus 11 and 12

THROUGH CAREFUL REVIEW of student and teacher's resource sample material (print and digital), McGraw-Hill Ryerson will now be developing custom resources for the new Pre-Calculus, Grades 11 & 12 courses. This learning resource package will provide students and educators with the necessary support to successfully implement Pre-calculus grades 11 and 12 in Alberta, British Columbia, Manitoba, Northwest Territories, Nunavut, Saskatchewan, and the Yukon Territory.

* Will be available in French.

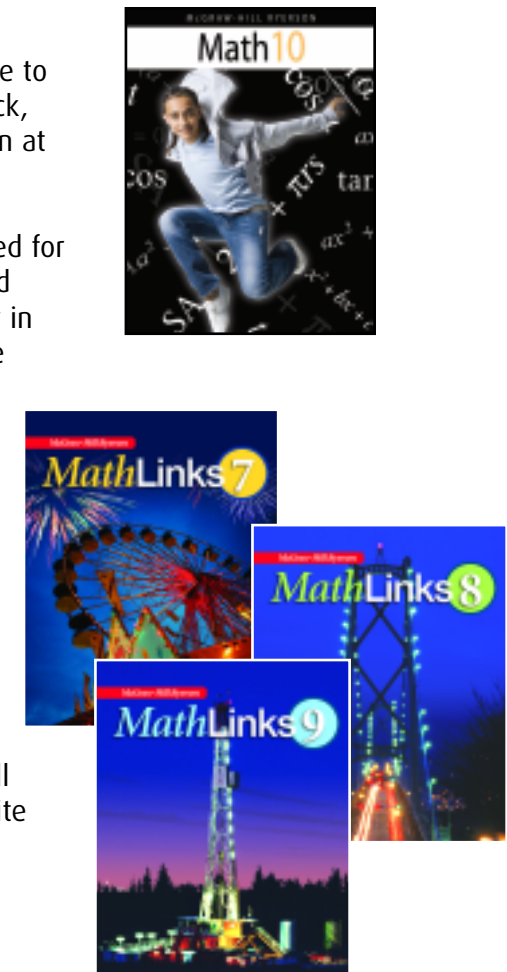

DEVELOPMENT OF THESE RESOURCES will commence immediately. If you would like to view sample material or provide feedback, please contact our publisher, Linda Allison at lallison@mcgrawhill.ca.

MCGRAW-HILL RYERSON *MATH 10*, selected for the new Foundations of Mathematics and Pre-calculus grade 10 course, is currently in development. Examination copies will be available to schools in January 2010.

MCGRAW-HILL RYERSON *MATHLINKS 7-9* approved resources are available NOW and are widely used across the western provinces and territories. Feedback to these resources has been tremendously positive.

FOR MORE INFORMATION on these or any of our products, please do not hesitate to contact your local McGraw-Hill Ryerson representative or visit our website at www.mcgrawhill.ca/school.

SAG Conference 2009

Join us at these exciting and informative sessions!

How Can You Readily Integrate Technology Into Your Math Classroom? (\$502)

Feeling uneasy about the curriculum changes in Math? Concerned about loads of extra work for you as the classroom teacher? This session is intended to ease some of those concerns. Come explore the curriculum changes for Grade 9 and examine the instructional design of McGraw-Hill Ryerson's *MathLinks 9* to see how these changes are addressed and how it provides educators with the tools to create a learning environment where students are actively involved. Walk away with a detailed analysis of the curriculum changes plus strategies and activities for implementing the new curriculum!

Presenter: Ralph Backé
9:00 am - 11:30 am

Implementing *Math 10* (\$608)

Join Darren Kuropatwa as he guides you through the recent content and pedagogical changes to the Foundations of Mathematics and Pre-calculus 10 curriculum to be implemented in 2010. Participants will preview how the activities, lessons, media elements and interactive technologies integrated throughout McGraw-Hill Ryerson *Math 10* resource package will both engage students and enhance their conceptual understanding. Handouts will be provided.
