

CHAPTER 9

Fill-in-the-blanks

- | | |
|---------------------------------------|---|
| (1) estimates | |
| (2) population | |
| (3) estimation | |
| (4) estimates | |
| (5) unbiased | (16) $z = \frac{\bar{X} - \mu}{\sigma_{\bar{X}}}$ |
| (6) N | |
| (7) means | (17) raw score |
| (8) frequency | (18) sample |
| (9) sampling distribution
of means | (19) \bar{X} |
| (10) μ | (20) s |
| (11) normal | (21) $N - I$ |
| (12) central limit theorem | (22) underestimate |
| (13) standard deviation | (23) degrees of freedom |
| (14) standard error | (24) values |
| (15) $\sigma_{\bar{X}}$ | (25) restrictions |
| | (26) z score |
| | (27) t |
| | (28) Gosset |
| | (29) Student |
| | (30) confidence interval |
| | (31) 99% |
| | (32) z scores |
| | (33) t scores |
| | (34) B |
| | (35) $N - I$ |
| | (36) sample size |
| | (37) interval |
| | (38) null hypothesis |
| | (39) H_0 |
| | (40) μ |
| | (41) μ |
| | (42) H_1 |
| | (43) nondirectional |
| | (44) directional |
| | (45) null |
| | (46) alpha or α |
| | (47) .05 |
| | (48) rejection |
| | (49) test |
| | (50) decision |
| | (51) conclusion |
| | (52) context |
| | (53) same |
| | (54) less |
| | (55) one tail |
| | (56) more |
| | (57) direction |
| | (58) making a decision |
| | (59) I |
| | (60) α |
| | (61) α |
| | (62) decrease |
| | (63) II |
| | (64) β |
| | (65) decreases |
| | (66) power |
| | (67) power = $1 - \beta$ |
| | (68) α |
| | (69) size |
| | (70) less |
| | (71) larger |
| | (72) greater |
| | (73) effect size |
