

6.8 TIMELINE YOUR LIFE

DIRECTIONS: Timelines put topics in perspective by illustrating, step by step, how events unfolded. For this exercise, you get to put your life in perspective, highlighting significant events in your life. Include some fun pictures to recap the highlights. You can also complete this exercise by providing more detail of, say, the last five years.

JEFFREY REAVES

Born July 19 in Goldsboro, N.C. We moved shortly thereafter.

Jurassic Park, my favorite movie, came out. I didn't get to watch it until I was 10.

Started Taking pictures for Northwest Guilford High student newspaper.
