**Student Guide to Learning to Teach** xx

## Part 1

---

### Teaching and Learning in Today's Classrooms 1

#### Chapter 1

### The Scientific Basis for the Art of Teaching 2

Historical Perspective on Teaching	5
<i>Role Expectations in Earlier Times</i>	5
<i>Twentieth-Century Role Expectations</i>	6
<i>Teaching Challenges for the Twenty-first Century</i>	7
A Perspective on Effective Teaching for the Twenty-first Century	18
<i>The Ultimate Goal of Teaching</i>	18
<i>A View of the Effective Teacher</i>	20
<i>Personal Qualities for Developing Authentic Relationships</i>	21
<i>Democratic and Socially Just Classrooms</i>	21
<i>Knowledge Base to Guide the Art of Practice</i>	22
<i>Repertoire of Effective Practice</i>	25
<i>Reflection and Problem Solving</i>	29
Learning to Teach	30
<i>Models of Teacher Development</i>	30
<i>Early Influences on Teaching</i>	32
Reflections from the Classroom	35
Summary	36
Interactive and Applied Learning	38
Portfolio and Field Experience Activities	38

#### Chapter 2

### Student Learning in Diverse Classrooms 40

Perspective and Overview	42
Theoretical and Empirical Support	46
<i>Equity</i>	46
<i>Differential Treatment of Students</i>	47
<i>Learning Abilities, Styles, and Preferences</i>	50
Exceptionalities	54
<i>Students with Disabilities</i>	54
<i>Gifted and Talented Students</i>	60
Culture, Ethnicity, and Race	63
<i>Perspectives on Culture, Ethnicity, and Race</i>	63
<i>Working with Students in Racially and Culturally Diverse Classrooms</i>	66
<i>Religious Diversity</i>	73
Language Diversity	73
<i>Differences in Dialects</i>	73
<i>Second-Language Acquisition</i>	74
<i>Working with Language Diversity in the Classroom</i>	75
Gender Differences	76
<i>Nature of Gender Differences</i>	76
<i>Origins of Gender Differences</i>	77
<i>Stereotyping and Differential Treatment</i>	77

<i>Working with Gender Differences in the Classroom</i>	80	<i>Some Final Thoughts and Schoolwide Issues</i>	83
<i>Sexual Orientation</i>	80	<i>Reflections from the Classroom</i>	85
<b>Social Class Differences</b>	81	<b>Summary</b>	86
<i>Characteristics and Performance of Low-SES Students</i>	81	<i>Interactive and Applied Learning</i>	88
<i>Differential Treatment of Low-SES Students</i>	82	<i>Portfolio and Field Experience Activities</i>	89
<i>Working with Low-SES Students in the Classroom</i>	83		

## Part 2

### The Leadership Aspects of Teaching 91

#### Chapter 3

#### Teacher Planning 93

<b>Perspective on Planning</b>	94
<i>Planning—The Traditional View</i>	95
<i>Planning—An Alternative Perspective</i>	96
<i>Mental Planning</i>	97
<b>Theoretical and Empirical Support</b>	97
<i>Consequences of Planning</i>	97
<i>Planning and the Beginning Teacher</i>	98
<b>Planning Domains</b>	102
<i>Planning and the Instructional Cycle</i>	102
<i>The Time Spans of Planning</i>	103
<b>The Specifics of Planning</b>	104
<i>Choosing Curriculum Content and Skills</i>	104
<i>Tools for Choosing Content</i>	108
<i>Instructional Objectives</i>	110
<i>Taxonomies for Selecting Instructional Objectives</i>	114
<i>Lesson Plans and Unit Plans</i>	120
 <i>Diversity and Differentiation: Differentiation through Planning</i>	125
<b>Planning for Time and Space</b>	126
<i>Time</i>	126
<i>Space</i>	128
<b>A Final Thought about Planning</b>	128

<i>Reflections from the Classroom</i>	130
<b>Summary</b>	130
<i>Interactive and Applied Learning</i>	132
<i>Portfolio and Field Experience Activities</i>	133

#### Chapter 4

#### Learning Communities and Student Motivation 134

<b>Perspective on Classrooms As Learning Communities</b>	138
<i>Fusion of the Individual and the Group</i>	139
<b>Theoretical and Empirical Support</b>	140
<i>Human Motivation</i>	140
<i>Features of Learning Communities</i>	147
<i>Research on Motivation and Learning Communities</i>	153
<b>Strategies for Motivating Students and Building Productive Learning Communities</b>	157
<i>Believe in Students' Capabilities and Attend to Alterable Factors</i>	157
<i>Avoid Overemphasizing Extrinsic Motivation</i>	158
<i>Create Learning Situations with Positive Feeling Tones</i>	159

*Build on Students' Interests and Intrinsic Values* 160

*Structure Learning to Accomplish Flow* 160

*Use Knowledge of Results and Don't Excuse Failure* 161

*Attend to Student Needs, Including the Need for Self-Determination* 162

*Attend to the Nature of Learning Goals and Difficulty of Instructional Tasks* 163

 *Diversity and Differentiation: Using Multidimensional Tasks* 164

*Facilitate Group Development and Cohesion* 165

Some Final Thoughts 168

Reflections from the Classroom 169

Summary 170

Interactive and Applied Learning 172

Portfolio and Field Experience Activities 172

**Chapter 5**  
**Classroom Management 174**

Perspective on Classroom Management 176

Theoretical and Empirical Support 178

*Reinforcement Theory* 178

*Classroom Ecology and Group Processes* 179

*Effective Teaching Research* 181

*Child-Centered Traditions* 182

Preparing for Effective Classroom Management 183

*Preventative Classroom Management* 183

*Managing Inappropriate and Disruptive Behavior* 192

Classroom Management Programs 198

*Traditional Programs Based on Reinforcement Theory* 199

*Programs That Aim toward Self-Management and Community* 201

*The Caring Classroom* 203

A Final Thought and Look to the Future 205

Reflections from the Classroom 206

Summary 207

Interactive and Applied Learning 208

Portfolio and Field Experience Activities 209

**Chapter 6**  
**Assessment and Evaluation 210**

Perspective on Assessment and Evaluation 212

*Importance of Assessment and Evaluation* 213

*Key Assessment and Evaluation Concepts* 215

Theoretical and Empirical Support 217

*Effects of Assessment on Student Motivation and Learning* 217

*Teacher Bias in Assessment and Grading* 222

Standardized Tests 222

*Nature of Standardized Tests* 225

*Norm-Referenced and Criterion-Referenced Tests* 225

*Advantages and Disadvantages of Different Approaches* 226

*The Teacher's Role in Standardized Testing* 227

A Teacher's Classroom Assessment Program 229

*Diagnosing Prior Knowledge* 229

*Providing Corrective Feedback* 230

*Testing for Summative Evaluation and Reporting* 230

 *Diversity and Differentiation: Using Assessment Information to Diagnose Students with Special Needs* 230

Specifics of Traditional Assessments 231

*General Principles* 231

*Test Construction* 232

*Giving the Traditional Test* 238

Alternative Assessments 239

*Performance Assessment* 240

*Authentic Assessment* 240

*Designing and Scoring Performance and Authentic Assessments* 240

*Student Portfolios* 245

*Assessing Group Effort and Individually Contracted Work* 245

*Making Decisions about Assessments* 246

Evaluation and Grading 247

Assessment Bill of Rights 250

Reflections from the Classroom 250

Summary 252

Interactive and Applied Learning 253

Portfolio and Field Experience Activities 254

## Part 3

# Teacher-Centered Models of Interactive Teaching 255

### Chapter 7

## Presenting and Explaining 258

- Overview of Presentation Teaching 260
- Theoretical and Empirical Support 261
  - Structure and Organization of Knowledge* 261
  - Meaningful Verbal Learning* 262
  - Cognitive Psychology of Learning* 263
  - Empirical Support* 267
- Planning and Conducting Presentation Lessons 270
  - Planning for Presentations* 271
  -  *Diversity and Differentiation: Adapting Presentations for Differing Student Abilities* 275
  - Conducting Presentation Lessons* 276
- Managing the Learning Environment 283
- Assessment and Evaluation 284
- Reflections from the Classroom 285
- Summary 285
- Interactive and Applied Learning 287
- Portfolio and Field Experience Activities 287

### Chapter 8

## Direct Instruction 290

- Overview of Direct Instruction 293
- Theoretical and Empirical Support 293
  - Behavioral Theory* 293
  - Social Learning Theory* 294
  - Teacher Effectiveness Research* 295
- Planning and Conducting Direct Instruction Lessons 295

*Planning for Direct Instruction* 297

*Conducting Direct Instruction Lessons* 300

-  *Diversity and Differentiation: Varying Direct Instruction Lessons to Meet Diverse Needs* 309

- Managing the Learning Environment 310
- Assessment and Evaluation 310
- A Final Thought: Considering the Use of Direct Instruction 311
- Reflections from the Classroom 313
- Summary 314
- Interactive and Applied Learning 315
- Portfolio and Field Experience Activities 315

### Chapter 9

## Concept Teaching 318

- Overview of Concept Teaching 320
- Theoretical and Empirical Support 321
  - Concepts and Higher-Level Thinking* 321
  - The Nature of Concepts* 322
  - Human Development and Concept Learning* 324
- Planning and Conducting Concept Lessons 327
  - Planning for Concept Teaching* 328
  -  *Diversity and Differentiation: Adapting Plans to Meet Diverse Needs* 333
  - Conducting Concept Lessons* 334
- Managing the Learning Environment 338
- Assessment and Evaluation 338
- Reflections from the Classroom 340
- Summary 341
- Interactive and Applied Learning 342
- Portfolio and Field Experience Activities 343

## Part 4

# Student-Centered Models of Interactive Teaching 345

### Chapter 10

## Cooperative Learning 348

- Overview of Cooperative Learning 350
- Theoretical and Empirical Support 352
  - Concept of the Democratic Classroom* 352
  - Intergroup Relations* 353
  - Experiential Learning* 353
  - The Effects of Cooperative Learning* 354
- Planning and Conducting Cooperative Learning Lessons 358
  - Planning for Cooperative Learning* 358
  - Conducting Cooperative Learning Lessons* 365
  -  *Diversity and Differentiation: Adapting Cooperative Learning Lessons for Diverse Learners* 369
- Managing the Learning Environment 370
  - Helping with Transitions* 371
  - Teaching Cooperation* 372
- Assessment and Evaluation 375
  - Testing Academic Learning* 376
  - Assessing Cooperation* 377
  - Grading Cooperative Learning* 378
  - Recognizing Cooperative Effort* 378
- Cooperative Learning: A Final Thought 378
- Reflections from the Classroom 379
- Summary 380
- Interactive and Applied Learning 381
- Portfolio and Field Experience Activities 382

### Chapter 11

## Problem-Based Learning 384

- Overview of Problem-Based Learning 386
  - Special Features of Problem-Based Learning* 387
- Theoretical and Empirical Support 390
  - Dewey and the Problem-Oriented Classroom* 391
  - Piaget, Vygotsky, and Constructivism* 391
  - Bruner and Discovery Learning* 392
  - Is PBL Effective* 393

- Planning and Conducting Problem-Based Lessons 394
  - Planning for PBL Lessons* 394
  - Conducting PBL Lessons* 400
  - Using Learning Centers for Problem-Based Learning* 405
  -  *Diversity and Differentiation: Adapting Problem-Based Lessons for Diverse Students* 406
- Managing the Learning Environment 406
  - Dealing with Multitask Situations* 407
  - Adjusting to Differing Finishing Rates* 407
  - Monitoring and Managing Student Work* 408
  - Managing Materials and Equipment* 409
  - Regulating Movement and Behavior outside the Classroom* 409
- Assessment and Evaluation 409
  - Assessing Understanding* 409
  - Using Checklists and Rating Scales* 411
  - Assessing Adult Roles and Situations* 411
  - Assessing Learning Potential* 412
  - Assessing Group Effort* 412
- Problem-Based Learning: A Final Thought 412
- Reflections from the Classroom 413
- Summary 415
- Interactive and Applied Learning 416
- Portfolio and Field Experience Activities 416

### Chapter 12

## Classroom Discussion 419

- Overview of Classroom Discussion 420
- Theoretical and Empirical Support 421
  - Discourse and Cognition* 422
  - Classroom Discourse Patterns* 423
  - Teacher Questioning* 424
  - Wait-Time* 425
- Planning and Conducting Discussion Lessons 428
  - Planning for Discussion* 428
  - Conducting Discussions* 432

 *Diversity and Differentiation: Adapting Discussions for Diverse Learners* 438

- Managing the Learning Environment 440
- Slow the Pace and Broaden Participation* 440
  - Increase Interpersonal Regard and Understanding* 441
  - Use Tools That Highlight Discourse and Thinking Skills* 443
- Assessment and Evaluation 444
- Follow-up Discussions* 444
  - Grading Classroom Discussions* 445
- Classroom Discourse Patterns:  
A Final Thought 446
- Reflections from the Classroom 447
- Summary 448
- Interactive and Applied Learning 450
- Portfolio and Field Experience Activities 450

### Chapter 13

## *Connecting the Models and Differentiating Instruction* 452

Introduction and Rationale 454

Connecting and Using Multiple Models 455

- Repertoire and Choice* 455
  - Connecting and Using Multiple Models: Two Classroom Scenarios* 457
- Differentiating Instruction 464
- Rationale for Differentiation* 464
  - The Differentiated Classroom* 465
  - Essential Elements of Differentiation* 465
  - Instructional Strategies for Differentiating Instruction* 467
  - Use of Flexible Grouping in the Differentiated Classroom* 470
- Management and Assessment in the Differentiated Classroom 474
- Classroom Management* 474
  - Assessing and Evaluating Student Work* 476
- Reflections from the Classroom 477
- Summary 479
- Interactive and Applied Learning 480
- Portfolio and Field Experience Activities 480

## Part 5

# *The Organizational Aspects of Teaching* 483

### Chapter 14

## *School Leadership and Collaboration* 484

- Perspective on Schools as Workplaces 487
- Schools Are Human Systems* 487
  - Schools Have Histories and Cultures* 488
  - Schools Exist in Context* 488
  - Schools Have Features in Common with Other Organizations* 489
  - Schools Have Unique Features* 489
  - Norms, Roles, and the Culture of Teaching* 491
- Theoretical and Empirical Support 493
- Nature of Teachers' Work* 494

- Research on School Effectiveness* 494
  - Features of Effective Schools* 496
- Organizational Skills for Teachers 498
- Working with Colleagues* 499
  - Working with Administrators and Leadership Personnel* 500
  - Working with Families* 501
  - Working for School Improvement* 506
- Reflections from the Classroom 509
- Summary 510
- Interactive and Applied Learning 512
- Portfolio and Field Experience Activities 512

## Resource Handbook

---

### Handbook 1

Reading and Using Research	513
Key Research Ideas	513
<i>Research Questions and Problems</i>	513
<i>Model for Research on Teaching</i>	514
<i>Independent and Dependent Variables</i>	516
Approaches to Educational Research	516
<i>Assumptions about Scientific Knowledge</i>	516
<i>Types of Research Studies</i>	517
<i>Descriptive Research</i>	517
<i>Experimental Research</i>	518
<i>Correlational Research</i>	518
<i>Causal-Comparative Research</i>	519
Statistical Concepts and Research Conventions	519
<i>Sampling</i>	520
<i>Randomness</i>	520
<i>Numbers and Conventions</i>	520

Reading and Keeping Abreast of Research	522
---	-----

<i>Reading Research with a Critical Eye</i>	522
<i>Reading a Research Report: An Example</i>	523
<i>Keeping Abreast of Research</i>	523

### Handbook 2

Using <i>Learning to Teach</i> to Prepare for the PRAXIS II™: Principles of Learning and Teaching Exam	524
--	-----
