Preface xii

PART 1

Social and Biological Foundations of Human Sexuality 2

Chapter 1 Cultural, Historical, and Research Perspectives on Sexuality 4

Chapter Outline	4
Culture and Sexuality	5
<i>From Sexual Revolution to Culture Wars</i>	7
<i>Times of Transition</i>	9
<i>In the Midst of the Culture Wars, Military Wars, and Economic Crisis</i>	12
Milestones in Sexual Science: A Brief Historical Survey	13
<i>Emerging from the Nineteenth Century (1800s)</i>	13
<i>Early Attempts at Sex Research in the Twentieth Century (1900s)</i>	15
<i>Mid-Twentieth-Century Sex Research</i>	17
<i>The National Health and Social Life Survey</i>	19
<i>Long-Term Studies of Adolescent Sexuality</i>	20
<i>Sex Research in the Twenty-first Century</i>	20
The Methods of Sexological Research	20
<i>Collecting Research Data on Human Sexuality</i>	21
<i>Ethical Issues in Sex Research</i>	24
Attitude Questionnaire	26
Self-Evaluation: You and Your Sexuality	27
Chapter Summary	28

Chapter 2 Female Sexual Anatomy and Physiology 30

Chapter Outline	30
The Vulva	31
<i>Clitoris</i>	32
<i>Female Genital Cutting</i>	33
The Vagina	34
<i>Douching</i>	35
<i>Hymen</i>	35

<i>Genital Self-Examination for Women</i>	36
<i>Disorders of the Female Sex Organs</i>	37
The Uterus and Ovaries	38
<i>Pelvic Examination</i>	38
<i>Ovaries and Fallopian Tubes</i>	40
<i>Uterine Cancer and Other Disorders</i>	41
Female Breasts	42
<i>Breast Cancer</i>	43
<i>Breast Self-Examination</i>	43
<i>Breast Screening Techniques</i>	44
The Menstrual Cycle	45
<i>Preovulatory Preparation or Follicular Phase</i>	45
<i>Ovulation</i>	46
<i>Luteal Secretion</i>	46
<i>Menstruation</i>	47
<i>Menstrual Discomfort and Control</i>	48
Menopause	50
<i>Hormone Replacement Therapy</i>	53
<i>Implications for Women's Sexuality</i>	53
Self-Evaluation: You and Your Body	54
Chapter Summary	54

Chapter 3 Male Sexual Anatomy and Physiology 56

Chapter Outline	56
The Testes and Scrotum	57
<i>Male Genital and Testicular Self-Examination</i>	58
<i>Disorders of the Testes</i>	59
The Penis	60
<i>Erection</i>	61
<i>Penis Size</i>	62
<i>Male Circumcision: The Debate</i>	64
<i>Disorders of the Penis</i>	65
Internal Male Organs	66
<i>Prostate Problems</i>	67
<i>Sperm Production and Ejaculation</i>	68
Male Hormones and "Andropause"	69
<i>Testosterone Replacement Therapy</i>	71
<i>Surviving Male Mid-life</i>	71
Self-Evaluation: Learning about Sexuality: Past, Present, and Future	72
Chapter Summary	73

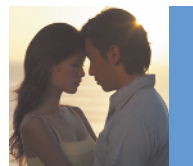

Chapter 4 Human Sexual Arousal and Response 74

Chapter Outline	74
Models of Desire and Arousal: Interaction of Mind and Body	75
<i>Distinguishing Desire and Arousal</i>	75
<i>The Dual Control Model</i>	76
<i>Women, Men, and Sexual Arousal</i>	79
Models of Human Sexual Response	80
<i>The Masters and Johnson Four-Phase Model</i>	80
<i>Kaplan's Three-Phase Model</i>	81
<i>Individual Differences in Sexual Response</i>	82
Female Sexual Response	82
<i>Excitement Phase</i>	82
<i>Plateau Phase</i>	84
<i>Orgasm</i>	84
<i>Resolution Phase</i>	85
<i>Multiple Orgasms in Women</i>	86
<i>Controversies about Female Sexual Response</i>	86
<i>Kegel Exercises and Sexual Response</i>	87
Male Sexual Response	87
<i>Excitement Phase</i>	87
<i>Plateau Phase</i>	87
<i>Orgasm</i>	88
<i>Resolution</i>	89
<i>Refractory Period</i>	89
<i>Multiple Orgasms in Men</i>	90
Hormones and Sexual Arousal	90
<i>Organizing and Activating Effects</i>	90
<i>Hormonal Activation of Sexual Arousal</i>	91
Effects of Aging on Sexual Response	91
<i>Aging and Female Sexual Response</i>	91
<i>Aging and Male Sexual Response</i>	92
Self-Evaluation: Sexual Arousal and Response in Your Life	93
Chapter Summary	94

Chapter 5 Developmental and Social Perspectives on Gender 95

Chapter Outline	95
How Many Sexes Are There?	96
<i>Intersexuality: Disorders of Sex Development</i>	96
<i>Gender Identity and Role</i>	97
Sexual Differentiation	97
<i>Nature or Nurture?</i>	97
<i>An Interactive View of Sexual Differentiation</i>	98
<i>Developmental Factors of Sexual Differentiation</i>	99

<i>Prenatal Factors</i>	99
<i>What Variations in Sexual Differentiation Can Tell Us</i>	103
<i>Hormones and Behavior</i>	105
<i>Factors of Infancy and Childhood</i>	106
<i>Factors at Puberty</i>	107
<i>Adult Gender Identity and Role</i>	108
Masculinity and Femininity	109
<i>Models of Masculinity and Femininity</i>	110
<i>Differences and Similarities between Females and Males</i>	111
<i>Theories of Gender Role Development</i>	111
Transgender Identities	114
<i>Transsexuality</i>	114
<i>Sex Reassignment for Transsexuals</i>	115
Gender in Society and Culture	116
<i>Growing Up Female and Male</i>	117
<i>Gender in the Workplace</i>	117
<i>Feminism</i>	118
<i>Asserting Masculinity</i>	120
<i>Gender across Cultures</i>	120
Self-Evaluation: Masculinity and Femininity in Your Life	125
Chapter Summary	125

PART 2

Understanding Sexuality in Ourselves and in Our Relationships 126

Chapter 6 Sexuality in Infancy, Childhood, and Adolescence 128

Chapter Outline	128
Psychosexual Development	129
<i>Biopsychological Drive/Instinct Theory</i>	129
<i>Psychodynamic Theory</i>	130
<i>Conditioning and Social Learning Theory</i>	131
<i>Developmental Theory</i>	131
<i>A Unified Theoretical Model of Psychosexual Development</i>	132
<i>Social Process Theory</i>	133
Sexuality in Infancy and Childhood	134
<i>Sexual Curiosity Grows in Childhood</i>	135
<i>Love and Romance in Childhood</i>	138
<i>Gender/Transgender Identity in Childhood</i>	138

Sexuality in Adolescence	139
<i>Early Adolescent Sexuality</i>	139
<i>Cognitive Susceptibility for Sex</i>	140
<i>Parent–Adolescent Communication</i>	141
<i>Masturbation in Adolescence</i>	142
<i>Sexual Intercourse in Adolescence and Its Outcomes</i>	142
<i>Teenagers Who Choose Not to Have Intercourse</i>	144
<i>Oral and Anal Sex in Adolescence</i>	145
<i>Social Development and Dating</i>	145
<i>Adolescent Same-Gender Sexual Activity</i>	146
<i>Adolescent Sexual Attitudes and Behaviors across Cultures</i>	147
Adolescent Sexual Health	148
<i>Adolescent Sexual Risk Taking</i>	148
<i>Adolescents and STDs</i>	149
<i>Adolescent Condom Use</i>	149
<i>Teenage Pregnancy and Use of Birth Control</i>	150
Sexuality Education	152
<i>The Sexuality Education Debate</i>	153
<i>Taking Sexuality Education Seriously</i>	155
<i>The Effectiveness of Sexuality Education</i>	155
Chapter Summary	157

Chapter 7 Adult Sexuality and Relationships 159

Chapter Outline	159
Sexuality in Young Adulthood	160
<i>Sexual Behaviors and Risks during the Transition</i>	160
<i>The College Experience</i>	161
<i>Having Sex, Hooking Up, Friends with Benefits, and Booty Calls</i>	163
<i>Teasing, Negotiating, and Insisting</i>	164
Mate Selection: How and Why We Couple	165
<i>Classical Psychological Theory</i>	165
<i>Social Network Theory</i>	165
<i>Evolutionary Theory</i>	166
Adult Partnerships	168
<i>Cohabitation</i>	168
<i>Love and the Marriage Bed</i>	170
<i>Sexual Satisfaction in Partnerships</i>	171
<i>Monogamy and Extradynamic Relationships</i>	173
<i>Trends in Being Single, Marriage, and Divorce</i>	174
Sexuality and Aging	176
<i>Sexuality among Older Adults</i>	176
<i>Special Sexual Problems and Patterns of Aging</i>	178
<i>Maximizing Sexual Expression during the Later Years</i>	179

Sexual Effects of Illness	179
Self-Evaluation: The Cheat-O-Meter	181
Chapter Summary	182

Chapter 8 Sexual Individuality and Sexual Values 183

Chapter Outline	183
Labeling Sex: Establishing Standards	184
<i>Sociocultural Standards for Sexual Arousal and Behavior</i>	185
<i>Global Sexual Rights</i>	187
<i>Who Is Normal?</i>	187
<i>Limits and Misuses of Labels: The Language of Sexual Orientation</i>	188
Sexual Individuality	190
<i>How Does Sexual Individuality Develop?</i>	191
<i>Sexual Attitudes and Sexual Choices</i>	193
<i>Sexual Attitudes and Discrimination: Homophobia, Biphobia, and Transphobia</i>	194
Sex and Values	197
<i>Sexuality as a Moral and Ethical Issue</i>	197
<i>Spirituality, Religion, and Sex</i>	199
<i>How Our Values Develop</i>	200
<i>Facing Ethical Dilemmas</i>	201
<i>Finding Healthy Sexual Values</i>	203
Sexuality and Disability Groups	204
<i>Intellectual or Developmental Disability</i>	205
<i>Visual and Auditory Disabilities</i>	205
<i>Spinal Cord Injuries</i>	206
<i>Other Physical and Mental Disabilities</i>	206
<i>Institutions and Sexual Issues</i>	207
Chapter Summary	207

Chapter 9 Sexuality, Communication, and Relationships 209

Chapter Outline	209
Communicating about Sex	210
<i>The Communication Process</i>	210
<i>The Words We Use to Talk about Sex</i>	211
<i>Contemporary Myths about Communication</i>	213
<i>The Sexual Games We Play</i>	214
Effective Communication	215
<i>The Ground Rules</i>	215
<i>Making It Happen</i>	215
<i>Communication Differences among Different Personality Types</i>	217
<i>Communication Differences between Women and Men</i>	217

<i>Quarreling and Relational Impasses</i>	219
<i>Resolving Impasses Effectively</i>	220
Maintaining Loving Relationships	222
<i>The Other Risks of Sex</i>	224
<i>What's Love Got to Do with It?</i>	225
<i>Love Brings Us Together</i>	225
<i>Sternberg's Triangular Theory of Love</i>	227
<i>The Brain Circuitry and Chemistry of Love</i>	229
<i>Establishing Sensual and Sexual Intimacy</i>	229
<i>Confusion about Love and Sex in Relationships</i>	231
<i>Same-Gender Intimate Relationships</i>	231
Connecting: For Better or for Worse	232
<i>Friendship and Sexuality</i>	232
<i>Relating Online</i>	232
<i>Attachment Theory: Jealousy and Possessiveness</i>	233
<i>Dealing with the Loss of a Loving Relationship</i>	235
Self-Evaluation: Communicating about Sex	236
Chapter Summary	238

PART 3

Human Reproduction, Contraception, and Abortion: Sexuality Confronts Social Policy 240

Chapter 10 Reproduction, Reproductive Technology, and Birthing 242

Chapter Outline	242
Fertilization and Fetal Development	243
<i>Twins and Higher-Order Multiples</i>	244
<i>Implantation of the Embryo</i>	246
<i>Extraembryonic Membranes and the Placenta</i>	247
<i>Infertility and Sexuality</i>	248
Reproductive and Fetal Technology	251
<i>Artificial Insemination</i>	252
<i>In Vitro Fertilization</i>	252
<i>Securing and Storing Gametes and Embryos</i>	253
<i>Preimplantation Genetic Screening and Gene Alteration</i>	254
<i>Other Fertilization Technologies</i>	255
<i>Choosing the Sex of a Fetus</i>	256
<i>Human Cloning</i>	257
<i>Embryo and Stem Cell Research</i>	259
<i>Surrogate Motherhood</i>	259
<i>Fetal Technology and Medicine</i>	259

Pregnancy and Birthing	261
<i>The Biology of Pregnancy</i>	263
<i>The Birth Process</i>	264
<i>Birthing Alternatives</i>	266
<i>Problems during Pregnancy</i>	266
<i>Postpartum Care</i>	269
Chapter Summary	270

Chapter 11 Decision Making about Pregnancy and Parenthood 272

Chapter Outline	272
Historical Perspectives	273
World Population and the Status of Children	275
<i>Choosing to Become a Parent</i>	276
<i>Birth Control Today</i>	276
Deciding about Contraceptives	277
<i>Ethical, Religious, and Political Influences</i>	278
<i>Health Considerations</i>	278
<i>The Sexuality Connection</i>	279
<i>Preparing the Way for Effective Contraception</i>	279
<i>Choosing the "Right" Contraceptive</i>	279
Methods of Birth Control	280
<i>Understanding Contraceptive Effectiveness</i>	281
<i>Sharing the Responsibility for Birth Control</i>	284
<i>Abstinence, Sex without Intercourse, and Withdrawal</i>	286
<i>Oral Contraceptives: The Pill</i>	286
<i>Hormonal Implants, Patches, Rings, and Breastfeeding</i>	287
<i>Injectables</i>	288
<i>Spermicides, Sponges, and Suppositories</i>	289
<i>Barrier Methods</i>	289
<i>Intrauterine Devices (IUDs)</i>	293
<i>Fertility Awareness Methods</i>	293
<i>Voluntary Surgical Contraception (Sterilization)</i>	294
<i>Emergency Contraception: Plan B</i>	295
<i>New Methods of Contraception</i>	296
Unintended Pregnancy: The Options	296
<i>Keeping the Baby</i>	298
<i>Adoption</i>	298
<i>Termination of Pregnancy</i>	299
<i>Methods of Abortion</i>	300
<i>Use of Embryonic Tissue</i>	301
<i>Life Outcomes after Abortion</i>	301
Self-Evaluation: Contraceptive Comfort and Confidence Scale	302
Chapter Summary	303

PART 4

Sexual Behavior and Contemporary Society 306

Chapter 12 Solitary Sex and Shared Sex 308

Chapter Outline	308
Solitary Sex: The Private World	309
<i>Sexual Pleasure for One</i>	310
<i>How Girls and Women Masturbate</i>	311
<i>How Boys and Men Masturbate</i>	312
<i>Fantasy and Pictures in Masturbation</i>	312
<i>Facts and Fallacies about Masturbation</i>	313
<i>Masturbation, Guilt, and Morality</i>	315
Shared Sexual Behavior	315
<i>Nongenital Oral Stimulation</i>	315
<i>Stimulation of Erogenous Zones</i>	316
<i>Oral-Genital and Oral-Anal Sex</i>	317
<i>Mutual Manual Stimulation and Masturbation</i>	319
<i>Interfemoral and Anal Intercourse</i>	319
<i>Vibrators, Pornography, and Fantasies</i>	321
<i>Aphrodisiacs</i>	321
<i>The Aftermath of Shared Sex</i>	322
Same-Gender Sexual Sharing	323
Heterosexual Intercourse	324
<i>Sexual Intercourse and Diseases</i>	325
<i>Intromission</i>	325
<i>Intercourse</i>	326
<i>Positions for Intercourse</i>	326
<i>Intercourse and Marriage</i>	330
Chapter Summary	331

Chapter 13 Sexual Orientation, Identity, and Behavior 333

Chapter Outline	333
Understanding Sexual Orientation	334
<i>The Perspective of the Kinsey Scale</i>	335
<i>Incidence of Sexual Orientations, Behaviors, and Attractions</i>	335
<i>Cross-Cultural Comparisons</i>	338
<i>The Effects of Homophobia and Biphobia</i>	340
<i>Religious Views</i>	341
Conceptualizing Same-Gender Sexual Orientation	341
<i>Psychosocial Models</i>	342
<i>The Normal Variant Model Sets the Stage</i>	342
<i>The Bell, Weinberg, and Hammersmith Study</i>	343

Sexual Orientation and Gender

<i>Nonconformity</i>	343
<i>Biological Determinants Model</i>	344
<i>Evolutionary Theory</i>	348
<i>The Reparative Therapies</i>	348
Forming a Sexual Orientation Identity	349
<i>Heterosexual Identity Development</i>	349
<i>Same-Gender Sexual Identity Development</i>	350
<i>Male-Female Differences in Same-Gender Sexual Identity Formation</i>	353
<i>Bisexual Identity Formation</i>	353
<i>Sexual Identity Formation among Racial and Ethnic Minorities</i>	354
Sexual Orientation and Society	355
<i>Gay and Lesbian Culture</i>	355
<i>Casual High-Risk Sex and the Gay Community</i>	356
<i>Sexual Orientation and the Military</i>	358
<i>Marriage and Legalized Same-Gender Partnerships</i>	359
<i>Gay and Lesbian Families</i>	359
Self-Evaluation: What Is Your Sexual Orientation?	360
Chapter Summary	361

Chapter 14 The Spectrum of Human Sexual Behavior 363

Chapter Outline	363
Variability in Sexual Interests and Activities	364
<i>The Dual Control Model and Variability</i>	364
<i>Erotic Target Location Errors</i>	365
<i>Incentive Sexual Motivation Theory</i>	366
<i>Gender Differences and Erotic Plasticity</i>	367
<i>Varying Degrees of Sexual Motivation</i>	368
<i>Celibacy and Asexuality</i>	369
<i>Compulsive Hypersexuality</i>	370
Transgender Behaviors	370
<i>Cross-Dressing: Transvestism</i>	370
<i>Beyond Cross-Dressing: Autogynephilia</i>	372
Common Erotic Targets That Trigger Sexual Excitation	373
<i>Use of Erotica and Pornography</i>	373
<i>Sexual Devices and Toys</i>	373
<i>Sexual Fantasy</i>	374
<i>Fetishism</i>	375
<i>Varying the Numbers</i>	376
Atypical and Potentially Problematic Erotic Targets	377
<i>The Sex Worker Industry</i>	377
<i>Close Encounters</i>	378

Exhibitionism 379
Voyeurism 380
Sadomasochism 381
Sex with Animals 383
Sex with the Dead 383
Other Unconventional Sexual Variations 384

Self-Evaluation: Your Sexual Fantasies 384
 Chapter Summary 385

Chapter 15 Sex, Art, the Media, and the Law 387

Chapter Outline 387
 Nudity and Sex in Art 388
Historical Foundations of Erotic Art 389
Erotic Art Today 389
 Sex and the Printed Page 390
The Evolution of Sexuality in Literature 390
Themes in Contemporary Literature, Lyrics, and Plays 391
Magazines, Journals, and Comics 392
 Sex in the Nonprint Media 392
Films 393
Pornographic Films, Videos, and DVDs 395
Television 396
Advertising 396
 Internet Sexuality 397
Online Pornography 398
Child Pornography 399
Sex Seeking on the Internet 399
 Effects of Sexually Explicit Materials 400
Responses to Sexually Explicit Materials 401
Self-Perceived Effects 402
Effects on Attitudes 402
Behavioral Effects of Pornography 403
 Legal Aspects of Pornography and Sexual Behavior 404
National Commissions on Pornography 404
Pornography, the Courts, and the Law 404
Legal Regulation of Sexual Behavior 405
Sex and the Constitution 406
Special Issues and the Law 406
 Chapter Summary 408

PART 5 Dealing with Sexual Problems 410

Chapter 16 Sexual Consent, Coercion, Rape, and Abuse 412

Chapter Outline 412
 When and How Does Sex Become a Problem? 413
Negative Attitudes about One's Own Body 413
Prejudice and Coercion 414
Failure of the Body to Function as Expected or Desired 415
Self-Destructive Behaviors and the Paraphilias 415
Compulsive Sexual Behavior 415
Sex Trafficking as a Global Problem 416
 Crossing Sexual Boundaries 416
Sexual Harassment 417
Responding to Sexual Harassment 419
Sexual Boundary Violations by Professionals 420
Education for Professionals 421
 Consent, Coercion, and Forced Sex 421
The Issue of Consent 421
Sexual Coercion and Force 422
Coercive and Abusive Relationships 425
Incidence of Forced Sex 426
Acquaintance Rape 426
Sexual Aggression in Marriage 428
Men Forced to Have Sex 429
The Aftermath of Forced Sex 431
 Sexual Abuse of Children and Adolescents 432
Incidence of Child Sexual Abuse 433
Adult Sexual Abusers 434
Child and Adolescent Sexual Abusers 435
Effects of Child Sexual Abuse 435
Treating Victims of Child Sexual Abuse 437
Treating Offenders 438
Incestuous Sex 438
Recovered or False Memories: The Controversy 439
 Preventing and Dealing with Problematic Sex 440
Learning about Sex 440
Knowing How to Communicate 440
Having Realistic Expectations 440
Being Cautious and Responsible 440
Finding Sex Counseling and Therapy 440
 Self-Evaluation: Your Sexual Concerns and Problems 442
 Chapter Summary 443

Chapter 17 Sexually Transmitted Diseases, HIV/AIDS, and Sexual Decisions 446

Chapter Outline	446
An Overview of the Hidden Epidemic	447
<i>The Appearance of HIV and AIDS</i>	448
<i>Incidence of HIV/AIDS</i>	449
<i>The Global Picture of HIV/AIDS</i>	451
<i>Risk Factors for Other STDs</i>	451
Nonviral Sexually Transmitted Diseases	455
<i>Gonorrhea</i>	455
<i>Syphilis</i>	456
<i>Chlamydia</i>	458
<i>Nonspecific Urethritis in Males</i>	459
<i>Vulvovaginal Infections</i>	459
Viral Sexually Transmitted Diseases	461
<i>Genital Herpes</i>	461
<i>Human Papillomavirus (HPV)</i>	462
<i>Hepatitis A, B, and C</i>	463
Other Sexually Transmitted Diseases	464
<i>Pubic Lice</i>	464
<i>Sexually Transmitted Skin Infections</i>	465
<i>Sexually Transmitted Diseases of Tropical Climates</i>	465
HIV: The Virus and the Infection	466
<i>How HIV Is Transmitted</i>	466
<i>The HIV Epidemic in Perspective</i>	468
HIV Testing, Treatment, and Vaccines	468
<i>HIV Testing Guidelines</i>	469
<i>Promise of Microbicides</i>	470
<i>Treatment for HIV Disease</i>	470
<i>Vaccines and Prophylaxis for HIV</i>	470
<i>Ethical Issues and HIV/AIDS</i>	471
Can Sex Be Safe and Satisfying?	472
<i>Minimizing the Sexual Risks of Contracting STDs and HIV</i>	473
<i>Legal and Personal Responsibility Aspects of Sexually Transmitted Diseases</i>	476
Self-Evaluation: Examining Your Attitudes toward Sexually Transmitted Diseases	476
Self-Evaluation: Considering Being Tested for HIV	478
Chapter Summary	479

Chapter 18 Sexual Dysfunctions and Their Treatment 481

Chapter Outline	481
Understanding Sexual Dysfunctions	482
<i>Performance Standards</i>	482
<i>Cultural Influences</i>	483
<i>Labeling Sexual Dysfunctions</i>	484
<i>Sexual Response and the Dual Control Model</i>	485
<i>Incidence of Sexual Dysfunction</i>	486
Types of Sexual Dysfunctions	487
<i>Sexual Interest/Desire Disorders</i>	487
<i>Arousal Disorders</i>	488
<i>Vaginismus and the Sexual Pain Disorders</i>	490
<i>Orgasmic Disorder</i>	491
<i>Premature Ejaculation: Lack of Ejaculatory Control</i>	491
<i>Postejaculatory Pain</i>	492
Causes of Sexual Dysfunctions	493
<i>Investigating Medical Causes</i>	494
<i>Alcohol, Drugs, and Medications</i>	494
<i>Psychological Factors: The Pressure to Perform</i>	496
<i>Relationships and Sexual Functioning</i>	497
Treating Sexual Dysfunctions	498
<i>Medical Treatments</i>	499
<i>Biomedical Engineering Devices</i>	500
<i>Psychotherapeutic Treatments</i>	500
<i>Combination Treatment Approaches</i>	500
<i>What Is a Sex Therapist?</i>	500
Behavioral Approaches to Sex Therapy	501
<i>Basic Goals of Cognitive-Behavioral Sex Therapy</i>	502
<i>Self-Help Approaches</i>	502
<i>Partnership Approaches</i>	503
<i>Some Specific Behavioral Methods</i>	505
<i>The Broad View of Sex Therapy</i>	506
Chapter Summary	507
