CHAPITRE 13 On va au cinéma!

Avant de surfer

As you probably know by now, you can't always translate word for word from French to English or vice versa. As you check the movie listings in France, you may not recognize some of the titles of the American movies. Look at the photos and actors' names. These clues will help you figure out the titles.

Surfons!

You would like to find out what movies are playing this week. Use the Internet to explore cinemas in a French-speaking city. Find six movies that interest you and use them to fill in the chart below.
