

Student Web Activity: *Alabama Driving*

Directions:

- Click on the link below and answer the questions below.

<http://www.dmv.org/al-alabama/department-motor-vehicles.php>

Questions:

1. Explain requirements for obtaining an Alabama Learner License and an Alabama Driver License, including any restrictions.
2. Identify individuals who may not be licensed.
3. Explain the Alabama Graduated Driver License law.
4. Explain the difference between driving as a privilege versus driving as a right.
5. Describe Alabama's basic speed law.
6. Compare statutory, posted, and advisory speed limits.
7. Interpret Alabama's Safety Belt and Child Restraint laws.
8. Explain requirements mandated by the Alabama Department of Public Safety regarding motor vehicle registration and the Mandatory Liability Act.
9. Identify responsibilities of owning and operating a vehicle, including factors involved in purchasing a vehicle, purchasing insurance, and maintaining a vehicle. For example, purchasing a vehicle includes factors such as fuel economy and financing.
10. Explain defensive driving techniques, including the Smith System and the search, identify, predict, decide, and execute (SIPDE) process.
11. Explain Alabama's driving under the influence (DUI) law, including levels of influence, consequences, implied consent, actual physical control, and zero tolerance.
