Introduction Slide Show

Directions: Using presentation software, prepare a simple multimedia slide show to highlight information about yourself. Focus on information that will help your class members get to know you.

Your final slide show must include:

- ◆ One title slide
- ◆ Four to six slides with the following information:
 - a. Information about you
 - b. Information about your school activities
 - c. Information about your hobbies or interests
 - d. Information about your talents or skills that would be useful in a multimedia project
- ◆ At least two of the following: transitions, animation, transformations, photos, templates, or clip art
- ◆ Once you have prepared your slide show, you will present it to the rest of the class.
