

Chapter 20 Career Planning

Appraising yourself honestly will help you find a job and a career.

James E. Challenger. “[Know Thyself.](#)” California Job Journal.

September 11, 2005. Accessed October 14, 2006.

Using the internet to network can be a good way to build social networks that will help you find jobs as you progress through your career.

Susan Karlin. “[Networking Know-How.](#)” IEEE Spectrum Online.

November 2005. Accessed October 14, 2006.

Off-shore outsourcing of hi-tech American jobs isn't as prevalent as some have feared.

Cynthia L. Webb. “[Outsourcing: It's the... 'In' Thing.](#)”

Washingtonpost.com. September 24, 2004. Accessed October 14, 2006.
