

# Chapter 5 Entrepreneurship

## Section 5.2 The Business Plan

### Reading Activity—Create a Table

**Directions** Fill in the table by correlating questions an entrepreneur should ask before starting a business venture with the essential parts of a business plan. In the left column list the parts of a business plan. Use Figure 5.2 on page 86 as a guide. In the right column write questions that should be answered in the business plan. Write one or more questions for each part of the plan.
