

# Section 29.1 - Cookies

Use a web diagram like this one to identify the six factors that determine the spread of a cookie.

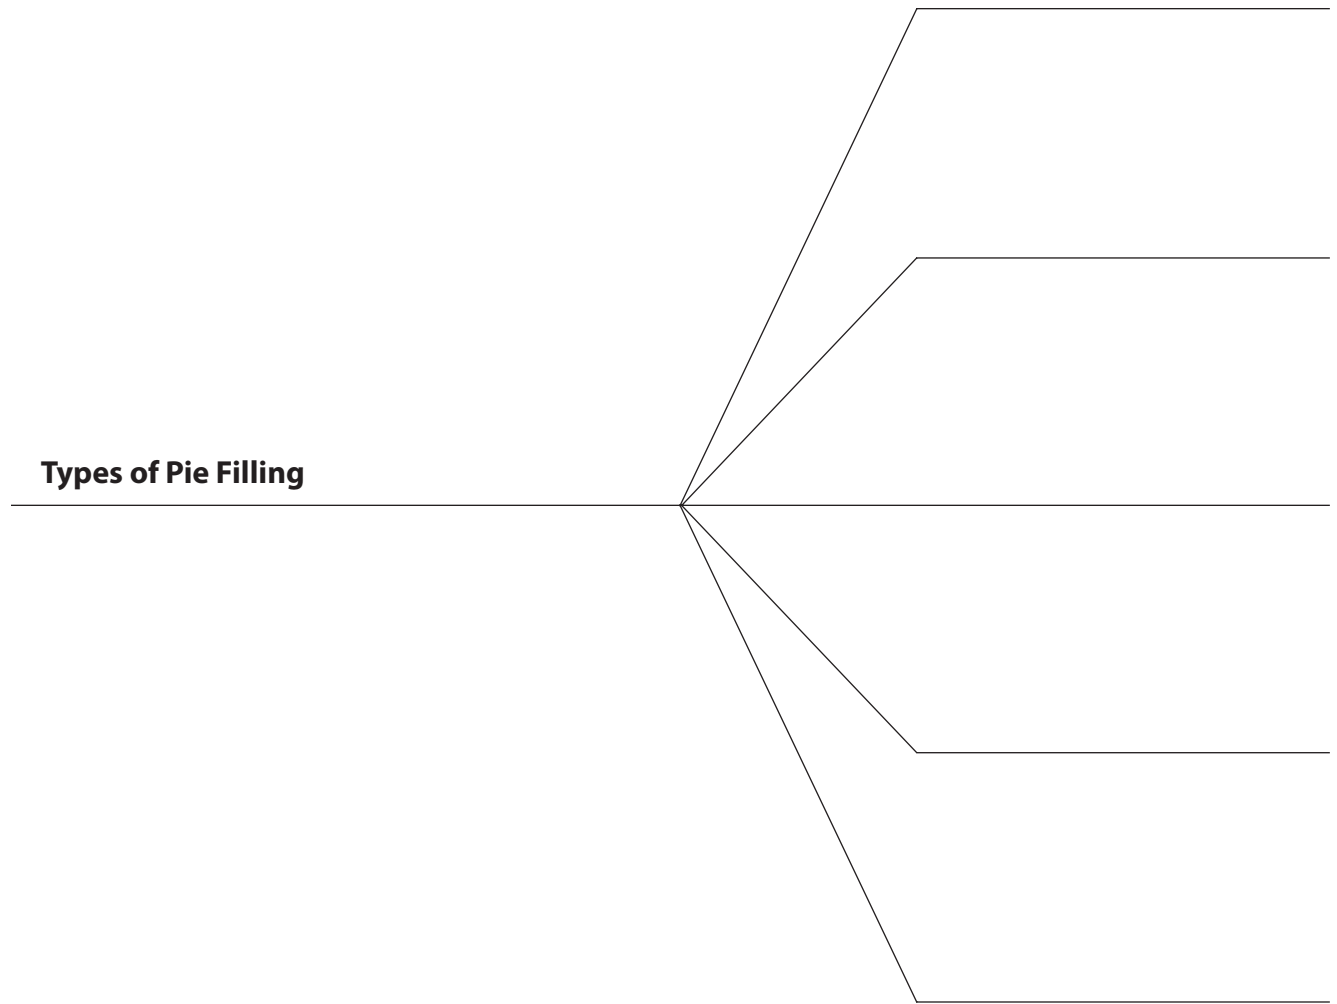

## Section 29.2 - Cakes

Use a herringbone organizer like the one here to list the five types of cakes.

# Section 29.3 - Pies

As you read, use a line chart like this one to list the five different types of pie fillings.

# Section 29.4 - Specialty Desserts

As you read, use a matrix like the one below to list the various specialty desserts in their proper category.

Frozen Desserts	Custards and Puddings	Bavarians, Chiffons, and Mousses
1.	1.	1.
2.	2.	2.
3.	3.	3.
	4.
