

Activity 3

Eggs

Buying and Storing Eggs

Purpose: To identify guidelines for buying and storing eggs.

Directions: Read each item below and write your response in the space provided.

1. To make sure you purchase fresh eggs, what should you do?

2. What does the USDA grade shield tell you about a carton of eggs?

3. What are the three grades of eggs? Why would you purchase each?

4. How are eggs classified into sizes?

5. Name the most common egg sizes.

6. How do you determine which eggs are the best price?

7. List at least three things you should do to store eggs properly.

8. How can you freeze eggs?
