

## EXERCISE 8.5: WEB QUEST

---

The websites used in the Web Quests are subject to change due to website updates.

The Small Business Administration (SBA) summarizes government resources to assist the small business owner. When starting a new business, an entrepreneur is faced with numerous decisions. As a result, planning becomes crucial for business success. The SBA website provides information about how to write a successful business plan.

**Step 1:** Go to [www.sba.gov](http://www.sba.gov) website.

**Step 2:** Find and print information on the sba.gov site that you think is the most useful to an entrepreneur starting a new business.
