

## **Site License for Classrooms**

For software installation in the school's computer lab or classroom, please go to the Intuit Education Program website at <http://www.intuiteducationprogram.com/signup/desktop/>. For additional information, refer to [www.intuiteducationprogram.com](http://www.intuiteducationprogram.com) > Educator Registration.

QuickBooks Desktop 2018 is FREE to schools and instructors.

## **For Students**

The QuickBooks Desktop 2018 software included with the textbook is accessible for a single user for 160 days using a PC computer (textbook pages 2-7). Students can work both at school and on their personal computers using external media, such as an USB drive, to backup and transport their files between locations.

The card included with each textbook includes the codes needed for software installation. For more information, go to [www.mhhe.com/qbd2018](http://www.mhhe.com/qbd2018) > Access Codes.
