Confirm Terms & Conditions

Important: Please carefully read the terms and conditions of this [License Agreement for the JMP® Student Edition \(24 Month\) Software](#) ("Agreement") before clicking on the "Accept" button. By clicking on the "Accept" button, you ("You"), are agreeing to the terms and conditions of this Agreement, and SAS Institute Inc. ("SAS") will authorize You to download the JMP® Student Edition (24 Month) Software ("Software"). In the event You have received the Software through your academic institution or employer, Your use of the Software means You are agreeing to the terms and conditions of this Agreement. You must be enrolled in a secondary school or post-secondary degree-granting academic institution or must be an employee of same using the Software for teaching and/or research purposes to use the Software (an "Academic"). If You are not an Academic, or You do not agree to all of the terms of this Agreement, click on the "Do Not Accept" button and do not use the Software. This license is personal to You and You may not share it or use it for the benefit of anyone else or for the commercial benefit of any business or organization except to the limited extent that Your enhanced knowledge of how to use SAS software may indirectly benefit that business or organization.

1. License Grant; Term.

Pursuant to this Agreement, SAS grants You a nonexclusive, non-assignable, non-transferable, fee waived, and royalty-free license to use the Software and any related documentation available at the link provided by SAS ("Documentation"). This Agreement will remain in effect for twenty-four (24) consecutive calendar months beginning with the date You accept it by clicking on the Accept button ("Term"). You may install and use the Software solely for Your own internal, non-commercial academic purposes in Your capacity as an Academic. You may use the Documentation solely in support of Your authorized and licensed use of the Software. Except to the extent allowed by law, You may not use the Software or Documentation or allow any other person or entity to use the Software or Documentation for the purpose of bringing an intellectual property infringement claim against SAS or for the purpose of developing an offering ▼

8. Arriverai alla pagina qui sotto con i link alle risorse per l'apprendimento.

The screenshot shows the JMP Academic Community website. At the top left is the JMP logo with the tagline "Statistical Discovery™ From SAS." To the right are flags for various countries. Below the logo is a navigation menu with links for "JMP Software", "Using JMP", "News and Events", "Resources for Users", and "About Us". A search bar is located to the right of the navigation menu. The main content area is divided into two columns. The left column features a "Congratulations!" section with a sub-section for "Learning Resources" containing three links: "JMP Student Edition Quick Guide", "JMP Learning Library", and "Academic on-demand webcasts". The right column features a "JMP Academic Community: Ask. Learn. Share. Connect." section with a paragraph of text and a link to "Visit the community". Below this is a section titled "Problems installing JMP Student Edition?" with a paragraph of text. At the bottom left is the SAS logo with the tagline "THE POWER TO KNOW." At the bottom right is the copyright notice "©2014 SAS Institute Inc. All Rights Reserved." followed by links for "Terms of Use", "Privacy Policy", "Site Map", and "Contact".
