   Sales as a Career 8
     Rewards in Sales Career 8
     Salesperson to Sales Manager 9
   Changing Role of a Salesforce 9
   Women in Sales 11
   Sales Objectives, Strategies and Tactics 12
     Sales Objectives 12
     Sales Strategies and Tactics 12
Emerging Trends in Sales Management  13
  Global Perspective  13
  Revolution in Technology  14
  Customer Relationship Management (CRM)  14
  Salesforce Diversity  14
  Team Selling Approach  14
  Managing Multi-channels  15
  Ethical and Social Issues  15
  Sales Professionalism  15
  E-Selling  16
Linking Sales and Distribution Management  16
  Distribution Channels  18
  Maximising Customer Service  18
  Sales Operations Planning  19
Summary  20
Glossary of Key Terms  21
Conceptual Questions  22
Objective Type Questions  23
Application Questions  24
Reference Notes  24
Case 1.1: PI Foods Ltd.—Managing Sales and Distribution  25

2. Personal Selling: Preparation and Process  27
  Introduction: The Psychology in Selling  27
    Buyer-Seller Dyadic Interaction  28
  Buying Decision Process  28
    Problem (or Need) Recognition  28
    Information Search (or Collection)  28
    Evaluation of Alternatives  28
    Purchase Decision  29
    Post-purchase Behaviour  30
    Buying Decision Process of Business Buyers  30
  Buying Situations or Types of Purchases  30
    For Household and Individual Consumers  30
    Buying Situations for Business Buyers  31
  Effective Communication  31
  Sales Knowledge and Sales Related Marketing Policies  32
    Company Knowledge  32
    Product Knowledge  33
    Customers and Competitors Knowledge  33
    Sales-Related Marketing Policies  33
The Sales Process or the Personal Selling Process 34
  Prospecting 35
  Qualifying 36
  Preapproach 36
  Approach 37
  Presentation and Demonstration 38
  Developing an Effective Presentation 42
  Demonstration 43
  Overcoming Objections 44
  Trial Close/Closing the Sale 46
  Follow-up and Service 49
  Negotiation 50

Transaction and Relationship Selling 52
  Transactional Selling (or Exchanges) 52
  Relationship Selling 53
  Value-added Selling 53

Summary 53

Glossary of Key Terms 54

Conceptual Questions 55

Objective Type Questions 56

Application Questions 57

Reference Notes 59

Case 2.1: Elex Motors Ltd.—Partnering Relationship 60
Case 2.2: RK Consultants—Selling Consultancy Service 60

3. Planning, Sales Forecasting and Budgeting 62

Introduction 62

Strategic Planning 62
  Corporate Strategic Planning 62
  Business Unit (or SBU) Strategic Planning 63
  Product/Operational Planning 63

Role of Marketing and Sales 63
  The Role of Marketing at Corporate Level 63
  The Role of Marketing at Business Unit 64

Marketing and Personal Selling Strategies 65

Integrated Marketing Communications (IMC) 65

Sales Strategy—A Strategic Decision Area 66
  Classification of Accounts 66
  Relationship Strategy 66
  Selling Methods 67
  Channel Strategy 68
Find Location and Potential of Customers 93
Decide Basic Territories 94
Assigning Salespeople to Territories 96
Relative Ability of Salespeople 97
Salesperson’s Effectiveness in a Territory 97
Use of IT in Territory Management 97
Managing Territorial Coverage 98
Routing 98
Scheduling 99
Time Management Tools for Salespeople 100
Time Management Tools for Sales Managers 101
Sales Quotas or Sales Targets 102
What are Sales Quotas? 102
Objectives of Quotas 102
Types of Quotas 103
Methods for Setting Sales Quotas 107
Insights into Setting and Administration of Sales Quotas 108
Companies not Using Quotas 110
Summary 110
Glossary of Key Terms 111
Conceptual Questions 112
Application Questions 113
Reference Notes 114
Case 4.1: CG Engineering Company—Achieving Quotas 116
Case 4.2: MM Marketing Company—Territory and Quotas for a New Product 116

5. Organising and Staffing the Salesforce 117

Concepts of Sales Organisation 117
Degree of Centralisation 117
Degree of Specialisation 118
Line or Staff Position 118
Market Orientation 118
Effective Co-ordination 118
Span of Control 119

Basic Types of Sales Organisational Structures 119
Line Sales Organisation 119
Line and Staff Sales Organisation 120
Functional Sales Organisation 120
Horizontal Sales Organisation 121
Contents

Specialisation within Sales Organisation 122
  Geographic Specialisation 122
  Product Specialisation 123
  Market Specialisation 124
  Combination Sales Organisation 125
Management of Major or Key Accounts 126
  Alternative Sales Organisations for Major Customers 127
Size of the Salesforce 128
  Workload Method 128
  Sales Potential/Breakdown Method 129
  Incremental Method 130
Staffing the Salesforce 130
  The Planning Stage 131
  Recruiting the Salesforce 134
  Selecting the Salesforce 137
  Hiring Stage 142
  Socialisation 143
Summary 144
Glossary of Key Terms 145
Conceptual Questions 146
Objective Type Questions 147
Application Questions 148
Reference Notes 149
Case 5.1: Electrical Product Company—Revision in Sales Organisation 151
Case 5.2: Swishflow Ltd.—Hiring Salespeople 151

6. Training, Motivating, Compensating, and Leading the Salesforce 153

Introduction 153
Managing the Sales Training Process 153
  Assess Sales Training Needs 154
  Design and Execute Sales Training Programme 155
  Evaluation of Sales Training Programme 165
  Reinforcing Sales Training 166
Motivating the Salesforce 166
  What is Motivation? 167
  Importance of Motivation 167
  Relevance of Motivational Theories to Salespeople 168
  Selecting an Effective Mix of Motivational Tools 171
  Guidelines for Motivating Salespeople 174
Contents

Compensating the Salesforce 175
  Objectives of a Compensation Plan 176
  Designing an Effective Sales Compensation Plan 176
  Basic Types of Compensation Plans 178
Leading the Salesforce 182
  Modern Views of Sales Leadership 182
  Leadership Styles 183
  Leadership Skills 184
  Supervising Salespeople 185
Summary 186
Glossary of Key Terms 187
Conceptual Questions 189
Objective Type Questions 189
Application Questions 190
Reference Notes 191
Case 6.1: CG Ltd.—Refresher Training 194
Case 6.2: STI Ltd.—Incentive Scheme for Salespeople 194

7. Controlling the Salesforce 196
  Sales and Marketing Intelligence System 196
    Salespeople 196
    Secondary Data Sources 197
    Discussions with Customers and Intermediaries 197
    Other Sources 197
  Salesforce Expenses 197
    Types of Expense Plans 198
  Marketing Audit 199
    Salesforce Audit 199
  Evaluation of Effectiveness of Sales Organisation 200
    Sales Analysis 201
    Marketing Cost and Profitability Analysis 203
    Productivity Analysis 207
  Evaluating and Controlling the Performance of Salespeople 208
    Purposes of Salesforce Performance Evaluation and Control 208
    Procedure for Evaluating and Controlling Salesforce Performance 208
  Ethical, Social, and Legal Responsibilities of Sales Personnel 216
    Business Ethics and Sales Management 216
    Social Responsibilities 218
    Legal Responsibilities and Sales Management 218
    Problems Related to the Internet and Telemarketing 219
Contents

Channel Formats Possible  264
    Producer Driven  264
    Seller Driven  265
    Service Driven  266
    Other Formats  266
Relationship of Flows to Service Levels  267
Channel Levels  268
    Service Channels  269
        What is the Channel Expected to Deliver?  269
Summary of Channel Functions  271
Prominent Channel Systems  271
    Vertical Marketing Systems  272
    Contractual VMS  273
    Horizontal Marketing Systems  273
    Multi-channel Marketing Systems  274
Costs and Margins in the Distribution System  274
Summary  276
Glossary of Key Terms  277
Objective Type Questions  278
Conceptual Questions  278
Application Questions  279
Reference Notes  279
Case 9.1: Research One Ltd. – Sales and Channel Relationships  280

10. Channel Institutions: Retailing  282
    Introduction  282
    Definition of Retailing  283
    The Retailer as a Salesman  285
    Theories in Retail  286
    The Global Retailing Scene  286
        Retailers Dictate Terms  287
        Retailers’ Own Brands/Private Labels  288
        Manufacturers’ Response to Growing Retail Strength  288
        Retail Relationships  289
    The Retail Scene in India  289
        Some Salient Features of Retail in India  289
    Salient Retail Numbers  291
        The Retail Evolution  291
        Commitment among Shoppers  291
        Shopper Segments  292
Contents

Sources of Awareness  292
Modern Format Awareness Levels  293
Hierarchy of Factors for Evaluation of a Modern Format  293
Private Label Brands in India  294
Trends in Retailing in India  295
Projected Trends  297
Organised Retailing in India  298
Trading/Retail Formats  299
Types of Retailers  301
Retail Focus on Categories  303
  Category Lifecycles  304
  Category Types  304
  Category Management  304
  Merchandise Buying Rules  305
The Role of the Retailer  305
  Merchandising  306
  Customer Service  310
  Customer Communication  315
Retail Strategy Guidelines  316
  Steps in Retail Strategy  316
Retail Strategies  317
  Positioning Strategy  319
  Product Differentiation Strategy  320
  Operational Superiority  320
  Store Location  321
  Factors in Development of Strategy  322
Retail Performance Measures  323
  Other Retail Performance Measures  323
Aspects of Store Design  324
Efficient Consumer Response (ECR)  325
  How does ECR Work?  325
Retailing Initiatives in Rural India  326
Franchising  326
  How Does the System Work?  327
Electronic Retailing or E-Tailing  328
  Retailing on the Internet/e-tailing  328
  Retailing on the Internet—Some Salient Points  328
  Internet Usage in India  328
  Online Retailers  330
  Disadvantages of Online Retailing  331
Contents

Logistics Support to E-retailing 331
Receipt of Payment Against Orders (Payment Gateway) 332
Foreign Direct Investment (FDI) in Retail in India 333
Summary 334
Glossary of Key Terms 335
Objective Type Questions 337
Conceptual Questions 338
Application Questions 339
Reference Notes 341

11. Channel Institutions: Wholesaling 343

Introduction 343
Definition of a Wholesaler 344
Features of Freelance Wholesalers in India 344
Wholesalers Deliver Value 345
Functions of Wholesalers 345
Wholesaling Functions for Producer Suppliers 346
Wholesaling Functions for Retailers and Other Customers 346
Classification of Wholesalers 347
Wholesalers—Key Tasks 349
Assembling or Aggregating the Goods 349
Warehousing of the Goods 349
Order Booking and Execution 350
Transportation of the Goods 350
Financing of the Business 350
Risk Bearing 350
Grading and Packing 350
Providing Market Information 350
Limitations of Wholesalers 351
Strategic Issues in Wholesaling 351
Selecting Target Markets 351
Marketing Mix 351
Major Wholesaling Decisions 352
Which Markets to Operate in? 352
Manpower 352
Which Product to Sell? 353
Promotional Support 353
Credit and Collections 353
Image and Customer Perception 353
Warehouse Location and Design 353
Inventory Control 353
Contents

Cash and Carry Wholesale 354
   METRO Cash & Carry 355
   Bharti Wal Mart Best Price Modern Wholesale 356
Distributors/Dealers/Stockists 356
   Distributor Management 357
   Need for a Distributor 357
   Expectations from the Distributor 358
   Selection of Distributors 358
   Security Deposit 359
   Payment by the Distributor 359
   Credit to be Extended by the Distributor 360
   Investment in Inventory 360
   Investment in Infrastructure 360
   Manpower 360
   Coverage of Markets 361
   Developing Rural Markets 362
   Categorisation of Distributors 365
   Performance Evaluation of Distributors 366
Trends in Wholesaling 368
Future of Wholesalers in India 370
Summary 370
Glossary of Key Terms 371
Objective Type Questions 372
Conceptual Questions 373
Application Questions 374
Reference Notes 375

12. Designing Channel Systems 376

Introduction 376
Channel Design and Planning Process 377
   Variables which Affect the Channel Structure 378
   Stages in Channel Planning 378
   Defining the Customer Needs 379
   Defining Channel Objectives 381
   Channel Alternatives 382
   Cost of the Channel System 382
Hybrid Channels 384
   Evaluation of Major Alternatives 385
Selecting Channel Partners 387
   Example: A Carrying and Forwarding Agent (C&FA) 388
Example: A Distributor 389  
Factors Influencing Channel Selection 390  
Change of Channel Members 391  
Training Channel Members 392  
Motivating Channel Partners 393  
Evaluating Channel Members 396  
Evaluation of Effectiveness of Channel Systems 397  
Modifying an Existing Channel Network 397  
Channel Design Comparison Factors 399  
Channel Design Implementation 399  
  Vertical Integration—Owning the Channel 402  
  Own the Channel or Outsource? 403  
  How much of Vertical Integration? 404  
  Why Vertical Integration? 405  
  Outsourcing Distribution 405  
  Non-store Retailing and Electronic Channels 406  
  Selling Door-to-door 406  
  Vending Machines 407  
  Tele-shopping 407  
  Marketing through Catalogs 407  
  Selling Direct 408  
  Use of Electronic Channels 408  
Summary 410  
Glossary of Key Terms 412  
Objective Type Questions 413  
Conceptual Questions 414  
Application Questions 415  
Reference Notes 416  
Case 12.1: Snow White Paper Company (2)–Finished Goods Distribution 417  

13. Channel Management 418  
  Channel Management 418  
    Use of Power Bases in the Context of Channel Management 418  
    Identifying and Resolving Channel Conflicts 418  
    Channel Co-ordination 419  
  Use of Channel Power 419  
    Five Sources of Power 422  
    Countervailing Power 423  
  What is Channel Conflict? 424  
    Stages of Conflict 424
### Reasons for Channel Conflict
425

- Channel Conflict in Hybrid Channels 427
- Types of Channel Conflict 427
- Examples of Channel Conflict 428
- Competition and Conflict 428
- Managing Conflict 428
- Ways of Managing Channel Conflict 434

### Principles of Channel Management
435
- Channel Control 436
- Vertical Management Systems (VMS) 437

### Channel Policies
438
- Markets to be Serviced 438
- Customer Coverage 438
- Pricing 439
- Product Lines 439
- Selection of Channel Members 440
- Termination of Channel Partners 440
- Ownership of the Channel 440

### Distribution Management for Services
440

### Some Unique Distribution Examples
442

### Summary
447

### Glossary of Key Terms
448

### Conceptual Questions
450

### Objective Type Questions
450

### Application Questions
451

### Reference Notes
454

- **Case 13.1:** Popular Foods Ltd.—Sales and Distribution Team Work 456
- **Case 13.2:** Gem Soaps and Detergents—Managing Channel Conflict 457
- **Case 13.3:** Apple Food Products—Managing a Distribution Network 459
- **Case 13.4:** Kinetic Engineering Company—Handling Channel Conflict 461
- **Case 13.5:** Advanced Measuring Devices (1)—Channel Management and Control 463
- **Case 13.6:** Advanced Measuring Devices (2)—Channel Management and Control 465

### 14. Channel Information Systems
468

- **Introduction** 468
  - Why an Information System? 469
  - Developing a Channel Information System—Channel MIS 469
  - Purpose of Information Systems 470
  - Volume and Value Information 471
  - A Good CIS 471
Elements of a Channel Information System 471
  Market Information 472
  Distributor Profile and Database 472
  Competition Tracking 473
  Primary Sales 473
  Secondary Sales 473
  Retailer Cards 473
  Pricing Trends 474
  Promotions History 474
  Promotions Evaluation 475
  Secondary Freight 475
  Inventory Control 475
  Orders/Indents from Channel Partners 476
  Distribution Costs 476
  Distributor Return on Investment (ROI) 477
  Statutory Information and Reporting 477
  Distributor Payments Record 477
  Storage and Processing of Information 478
Channel Performance Evaluation 478
  Channel Performance Evaluation Criteria 479
  Criteria for Evaluation 479
Channel Implementation 482
  Intensive Distribution 485
  Selective Distribution 485
  Example of Coverage and Break-even Sales 486
IT Systems for Channels 487
Summary 488
Glossary of Key Terms 489
Conceptual Questions 490
Objective Type Questions 490
Application Questions 491
Reference Notes 494
Case 14.1: Indian Engineering Ltd. – Improving Effectiveness of Distribution 495
Case 14.2: Teekha Spices Ltd. – Challenging the Capabilities of a Distribution Network 497
Case 14.3: Ashwin Healthcare Ltd. – Modifying Distribution Channels 499

15. Market Logistics and Supply Chain Management 501
  Origin of Logistics 501
    Customer Service 502
  Definition of Logistics 503
Contents

Scope of Logistics 505
  Key Logistics Activities 505
Materials Handling 506
Order Processing 507
Extension into Supply Chain Management 508
