| Objectives of financial reporting                                | 18 |   |    |
| Objectives of financial reporting for non-business organisations | 19 |   |    |

### Chapter 2 Financial statements and accounting concepts/principles 27

|  |    |   |    |
|--|----|---|----|
| Financial statements                                     | 28 | <i>Business in practice</i>                 |    |
| From transactions to financial statements                | 28 | <i>Organising a business</i>                | 30 |
| Financial statements illustrated                         | 30 | <i>Financial year</i>                       | 31 |
| Explanations and definitions                             | 31 | <i>Cash flows versus accrual accounting</i> | 46 |
| Comparative statements in subsequent years               | 40 | <i>Parent and subsidiary companies</i>      | 51 |
| Illustration of financial statement relationships        | 40 | <i>Business on the internet</i>             | 50 |
| Accounting concepts and principles                       | 43 | <i>The insider's view</i>                   |    |
| Concepts or principles related to the entire model       | 44 | Dale Alcock                                 | 28 |
| Concepts or principles related to transactions           | 44 | Robert Spadon                               | 37 |
| Concepts or principles related to the accounting process | 45 | Peter Rix                                   | 54 |
| Concepts or principles related to financial statements   | 47 | <i>So what do you think?</i>                | 51 |
| Why profit is not the same as cash                       | 48 | <i>Recap</i>                                | 52 |
| Limitations of financial statements                      | 49 | <i>Key terms</i>                            | 54 |
| The company's annual report                              | 51 | <i>Exercises</i>                            | 56 |
|  |    | <i>Problems</i>                             | 59 |

## Chapter 3 Fundamental interpretations made from financial statement data 67

|   |    |   |    |
|---|----|---|----|
| Financial ratios and trend analysis                   | 68 | <i>Business in practice</i>               |    |
| Return on assets                                      | 69 | <i>Establishing a credit relationship</i> | 78 |
| The DuPont model, an expansion of the ROA calculation | 73 | <i>The insider's view</i>                 |    |
| Return on equity                                      | 75 | Bill Downey                               | 73 |
| Working capital and measures of liquidity             | 76 | Peter Rix, Janice Carpenter               | 82 |
| Illustration of trend analysis                        | 79 | <i>So what do you think?</i>              | 82 |
|   |    | Recap                                     | 83 |
|   |    | Key terms                                 | 84 |
|   |    | Exercises                                 | 85 |
|   |    | Problems                                  | 87 |

## Chapter 4 The accounting process 97

|   |     |   |     |
|---|-----|---|-----|
| Learning objectives                         | 97  | <i>Business in practice</i>                     |     |
| The accounting process                      | 98  | <i>Bookkeeping language in everyday English</i> | 103 |
| The balance sheet equation—a mechanical key | 98  | <i>Business on the internet</i>                 | 111 |
| Transactions                                | 100 | <i>The insider's view</i>                       |     |
| Adjustments                                 | 106 | Chris Shellabear, Catherine DeVrye,             |     |
| Transaction analysis methodology            | 108 | Fred Bennett                                    | 99  |
|   |     | Ike Bain  | 102 |
|   |     | <i>So what do you think?</i>                    | 111 |
|   |     | Recap   | 111 |
|   |     | Key terms                                       | 112 |
|   |     | Exercises                                       | 113 |
|   |     | Problems  | 118 |

## Chapter 5 Accounting for and presentation of current assets 125

|  |     |   |     |
|--|-----|---|-----|
| Learning objectives                                    | 125 | <i>Business in practice</i>             |     |
| Review of the horizontal model column                  | 128 | <i>Petty cash funds</i>                 | 129 |
| Cash and cash equivalents                              | 129 | <i>The internal control system</i>      | 130 |
| The bank reconciliation as a control over cash         | 131 | <i>The perpetual inventory system</i>   | 142 |
| Short-term marketable securities                       | 133 | <i>The insider's view</i>               |     |
| Balance sheet valuation                                | 133 | Catherine DeVrye                        | 136 |
| Interest accrual                                       | 134 | Geoff Newlyn, Robert Spadon             | 143 |
| Accounts receivable                                    | 134 | <i>Greg Mortimer, Catherine DeVrye,</i> |     |
| Bad debts/uncollectible accounts                       | 134 | Chris Shellabear, Geoff Newlyn,         |     |
| Cash discounts   | 136 | Fred Bennett                            | 128 |
| Inventories  | 137 | <i>So what do you think?</i>            | 147 |
| Inventory cost-flow assumptions                        | 138 | Recap                                   | 147 |
| Inventory accounting system alternatives               | 141 | <i>Post production news</i>             | 149 |
| Inventory errors                                       | 144 | Key terms                               | 149 |
| Balance sheet valuation at the lower of cost or market | 145 | Exercises                               | 150 |
| Prepaid expenses and other current assets              | 146 | Problems                                | 154 |

## Chapter 6 Accounting for and presentation of property, plant, and equipment, and other non-current assets 161

|  |     |   |     |
|--|-----|---|-----|
| Learning objectives                            | 161 | <i>Business in practice</i>                 |     |
| Land   | 163 | <i>The goodwill controversy</i>             | 178 |
| Buildings and equipment                        | 165 | <i>Capitalising versus expensing</i>        | 164 |
| Cost of assets acquired                        | 165 | <i>Depreciation for income tax purposes</i> | 170 |
| Depreciation for financial accounting purposes | 166 | <i>The insider's view</i>                   |     |
| Maintenance and repair expenditures            | 170 | Bill Downey                                 | 164 |
| Disposal of depreciable assets                 | 170 | Len Tully                                   | 178 |
| Assets acquired by finance lease               | 172 | <i>So what do you think?</i>                | 179 |
| Intangible assets                              | 175 | Recap                                       | 180 |
| Leasehold improvements                         | 175 | <i>Post production news</i>                 | 181 |
| Patents, trademarks and copyrights             | 176 | Key terms                                   | 181 |
| Goodwill                                       | 176 | Exercises                                   | 182 |
| Natural resources                              | 179 | Problems                                    | 186 |
| Other non-current assets                       | 179 |   |     |

## Chapter 7 Accounting for and presentation of liabilities and owners' equity 191

|  |     |                                     |     |
|--|-----|-------------------------------------|-----|
| Learning objectives  | 191 | <i>Business in practice</i>         |     |

## PART 2: MANAGEMENT ACCOUNTING

### Chapter 11 Management accounting and cost–volume–profit relationships 333

|  |     |   |     |
|--|-----|---|-----|
| Learning objectives  | 333 | <i>Business in practice</i>                     |     |
| Management accounting and cost–volume–profit relationships | 334 | <i>Cost structures of emerging technologies</i> | 353 |
| Cost classifications                                       | 337 | <i>The 1-cent sale</i>                          | 350 |
| Relationship of total cost to volume of activity           | 337 | <i>Business on the internet</i>                 | 353 |
| Applications of cost–volume–profit analysis                | 341 | <i>The insider's view</i>                       |     |
| Cost behaviour pattern: the key                            | 341 | <i>Ike Bain</i>                                 | 353 |
| Estimating cost behaviour patterns                         | 343 | <i>So what do you think?</i>                    | 354 |
|  |     | <i>Recap</i>                                    | 357 |
|  |     | <i>Key terms</i>                                | 358 |
| A modified income statement format                         | 345 | <i>Exercises</i>                                | 359 |
| Operating leverage   | 350 | <i>Problems</i>                                 | 362 |

### Chapter 12 Cost accounting and reporting systems 371

|  |     |                                      |     |
|--|-----|--------------------------------------|-----|
| Learning objectives  | 371 | <i>Business in practice</i>          |     |
| Cost management  | 373 | <i>ABC in action</i>                 | 395 |
| Cost accumulation and assignment   | 375 | <i>Business on the internet</i>      | 394 |
| Cost relationship to products or activity                                      | 377 | <i>The insider's view</i>            |     |
| Costs for cost accounting purposes   | 377 | <i>Vincent Cho</i>                   | 377 |
| Cost accounting systems  | 381 | <i>Chris Shellabear, Vincent Cho</i> | 390 |
| Cost accounting systems—general characteristics                                | 381 | <i>So what do you think?</i>         | 396 |
| Cost accounting systems—job order costing, process costing, and hybrid costing | 387 | <i>Recap</i>                         | 397 |
| Cost accounting systems—absorption costing and direct costing                  | 388 | <i>Key terms</i>                     | 398 |
| Cost accounting systems in service organisations                               | 391 | <i>Exercises</i>                     | 399 |
| Activity-based costing   | 391 | <i>Problems</i>                      | 404 |

### Chapter 13 Cost analysis for planning and control 413

|   |     |   |     |
|---|-----|---|-----|
| Learning objectives                                       | 413 | <i>The insider's view</i>                       |     |
| Cost classifications                                      | 415 | <i>Bill Downey</i>                              | 420 |
| Relationship of total cost to volume of activity          | 415 | <i>Dale Alcock, Ike Bain, Catherine DeVrye,</i> |     |
| Cost classification according to a time-frame perspective | 416 | <i>Len Tully</i>                                | 443 |
| Budgeting   | 417 | <i>Greg Mortimer</i>                            | 444 |
| The budgeting process in general                          | 417 | <i>So what do you think?</i>                    | 444 |
| The budget time frame                                     | 417 | <i>Recap</i>                                    | 445 |
| The budgeting process                                     | 419 | <i>Key terms</i>                                | 447 |
| The purchases or production budget                        | 423 | <i>Exercises</i>                                | 448 |
| The cost of goods sold budget                             | 426 | <i>Problems</i>                                 | 453 |
| The operating expense budget                              | 427 |   |     |
| The budgeted income statement                             | 428 |   |     |
| The cash budget   | 428 |   |     |
| The budgeted balance sheet                                | 430 |   |     |

|   |     |
|---|-----|
| Standard costs                            | 432 |
| Using standard costs                      | 432 |
| Budgeting for other analytical purposes   | 433 |
| Performance reporting                     | 434 |
| Characteristics of the performance report | 434 |
| The flexible budget                       | 436 |
| Analysis of organisational units          | 437 |
| Reporting for segments of an organisation | 437 |
| Analysis of investment centres            | 439 |
| The balanced scorecard                    | 439 |

## Chapter 14 Cost analysis for decision making 461

|  |     |  |     |
|--|-----|--|-----|
| Learning objectives                                      | 461 | <i>Business on the internet</i>  | 468 |
| Cost classifications                                     | 462 | <i>The insider's view</i>  |     |
| Cost classifications for other analytical purposes       | 462 | <i>Greg Mortimer, Chris Shellabear, Howard Whelan, Margaret Werner</i> | 483 |
| Short-run decision analysis                              | 463 | <i>Peter Rix</i>   | 484 |
| Relevant costs   | 463 | <i>So what do you think?</i>   | 484 |
| Relevant costs in action—the special pricing decision    | 466 | <i>Recap</i>   | 485 |
| Relevant costs in action—the make or buy decision        | 469 | <i>Key terms</i>   | 487 |
| Short-term allocation of scarce resources                | 471 | <i>Exercises</i>   | 488 |
| Long-run investment analysis                             | 472 | <i>Problems</i>  | 493 |
| Capital budgeting  | 472 |  |     |
| Investment decision special considerations               | 473 |  |     |
| Cost of capital  | 473 |  |     |
| Capital budgeting techniques                             | 474 |  |     |
| Some analytical considerations                           | 478 |  |     |
| The investment decision                                  | 482 |  |     |
| Integration of the capital budget with operating budgets | 484 |  |     |
