Part 2 Theories of accounting 55

<i>Chapter 2 An overview of theories of accounting</i>	<i>57</i>
2.1 Introduction	58
2.2 Theory definition	59
2.3 Positive Accounting Theory	60
2.4 Accounting policy selection and disclosure	74
2.5 Accounting policy choice and 'creative accounting'	74
2.6 Some criticisms of Positive Accounting Theory	76
2.7 Normative accounting theories	78
2.8 Systems-oriented theories to explain accounting practice	83
2.9 Theories that seek to explain why regulation is introduced	89
2.10 Critical theory	92
Summary	94
Key terms	95
Further reading	96
End-of-chapter exercise	96

	Review questions	97
	References	98
Part 3	Accounting for assets	101
<i>Chapter 3</i>	<i>An overview of accounting for assets</i>	<i>103</i>
3.1	Definition of assets	104
3.2	General classification of assets	109
3.3	Determination of service potential or future economic benefits	110
3.4	Acquisition cost of assets	113
3.5	Capitalisation of interest	119
3.6	Subsequent expenditure on non-current assets	123
	Summary	126
	Key terms	126
	Further reading	127
	End-of-chapter exercise	127
	Solution to end-of-chapter exercise	127
	Review questions	127
	Challenging questions	129
	References	130
<i>Chapter 4</i>	<i>Depreciation, impairment and disposal of property, plant and equipment</i>	<i>131</i>
4.1	Introduction	132
4.2	Depreciable amount of an asset	133
4.3	Determining useful life	133
4.4	Methods of cost apportionment	135
4.5	When to start depreciating assets	138
4.6	Revision of depreciation rates	138
4.7	Land and buildings	140
4.8	Modifying existing items of property, plant and equipment	141
4.9	Disposition of depreciable assets	141
4.10	Impairment in value	144
4.11	Contractual implications of building depreciation	148
4.12	Disclosure requirements	149
	Summary	149
	Key terms	150
	Further reading	150
	End-of-chapter exercise	150
	Solution to end-of-chapter exercise	151
	Review questions	151
	Challenging questions	152
	References	154
<i>Chapter 5</i>	<i>Revaluation of non-current assets</i>	<i>155</i>
5.1	Introduction	156
5.2	The use of fair values	157
5.3	Revaluation increments	158
5.4	Treatment of balances of accumulated depreciation upon revaluation	158

5.5	Revaluation decrements and deficits	159
5.6	Reversal of revaluation decrements and increments	160
5.7	Accounting for profit or loss on the disposal of a revalued non-current asset	161
5.8	Consideration of present values	169
5.9	Offsetting increments/decrements within a class of non-current assets	169
5.10	Change in measurement base	171
5.11	Economic consequences of asset revaluations	171
5.12	Disclosure requirements	173
	Summary	175
	Key terms	176
	Further reading	176
	End-of-chapter exercise	176
	Solution to end-of-chapter exercise	177
	Review questions	178
	Challenging questions	180
	References	181
<i>Chapter 6</i>	<i>Accounting for inventories</i>	<i>183</i>
6.1	Introduction	184
6.2	Definition of inventory	184
6.3	The general basis of inventory measurement	184
6.4	Inventory cost-flow assumptions	190
6.5	Disclosure requirements	195
	Summary	196
	Key terms	196
	End-of-chapter exercise	196
	Solution to end-of-chapter exercise	197
	Review questions	198
	Challenging questions	199
	References	200
<i>Chapter 7</i>	<i>Accounting for intangibles</i>	<i>201</i>
7.1	Introduction	202
7.2	Research and development	205
7.3	Accounting for goodwill	214
7.4	Accounting for brands and other internally generated intangible assets	221
	Summary	231
	Key terms	232
	Further reading	232
	End-of-chapter exercise	233
	Solution to end-of-chapter exercise	234
	Review questions	234
	Challenging questions	236
	References	239
<i>Chapter 8</i>	<i>Accounting for heritage and biological assets</i>	<i>241</i>
8.1	Introduction	242
8.2	Heritage assets	242
8.3	Accounting for biological assets	258
	Summary	278

	Key terms	278
	Further reading	278
	End-of-chapter exercise	278
	Review questions	279
	References	280
Part 4	Accounting for liabilities and equity	281
<i>Chapter 9</i>	<i>Accounting for liabilities, provisions, contingent liabilities and contingent assets</i>	283
9.1	Liabilities defined	284
9.2	Some implications of reporting liabilities	285
9.3	Debt equity debate	286
9.4	Accounting for debentures	288
9.5	Hybrid securities	292
9.6	Accounting for provisions, contingent liabilities and contingent assets	296
9.7	Accounting for contingent liabilities	308
9.8	Contingent assets	313
	Summary	315
	Key terms	315
	Further reading	316
	End-of-chapter exercise	316
	Solution to end-of-chapter exercise	316
	Review questions	317
	References	321
<i>Chapter 10</i>	<i>Accounting for leases</i>	323
10.1	Introduction	324
10.2	Lessee accounting for finance leases	330
10.3	Lessee accounting for operating leases	334
10.4	Lessee accounting for sale and leaseback transactions	335
10.5	Lessee disclosure requirements	337
10.6	Accounting by lessors	341
10.7	Lessor accounting for sales-type leases	344
10.8	Lessor accounting for operating leases	347
10.9	Leases involving land and buildings	348
10.10	Lessee accounting for lease incentives under a non-cancellable operating lease	350
10.11	Accounting for operating leases—a new approach	351
10.12	Implications for accounting-based contracts	354
	Summary	355
	Key terms	355
	End-of-chapter exercise	356
	Solution to end-of-chapter exercise	356
	Review questions	357
	Challenging questions	360
	References	361

<i>Chapter 11</i>	<i>Defeasance of debt and right of set-off</i>	363
11.1	Introduction	364
11.2	Defining extinguishment of debt	365
11.3	Legal defeasance	365
11.4	In-substance defeasance	366
11.5	Instantaneous in-substance debt defeasance	370
11.6	Partial defeasance	371
11.7	Advantages to be derived from undertaking an ISDD	373
11.8	Right of set-off	374
11.9	Disclosure requirements	376
	Summary	376
	Key terms	377
	Further reading	377
	End-of-chapter exercise	377
	Solution to end-of-chapter exercise	377
	Review questions	378
	Challenging questions	379
	References	380
<i>Chapter 12</i>	<i>Accounting for employee entitlements</i>	381
12.1	Overview of employee entitlements	382
12.2	The development of AASB 1028	384
12.3	Accounting for employee entitlements	387
12.4	Employees' accrued employee benefits and corporate collapses	396
12.5	Share ownership arrangements including employee share-ownership plans	397
12.6	Disclosures required by AASB 1028 and FRS-30	398
	Summary	402
	Key terms	402
	End-of-chapter exercise	402
	Solution to end-of-chapter exercise	403
	Review questions	404
	Challenging questions	405
	References	406
<i>Chapter 13</i>	<i>Capital and reserves</i>	407
13.1	Equity as a residual claim on net assets	408
13.2	Different classes of shares	409
13.3	Accounting for the issue of capital	410
13.4	Accounting for distributions	417
13.5	Redemption of shares	418
13.6	Share repurchases	419
13.7	The solvency test	427
13.8	Forfeited shares	430
13.9	Share splits and bonus issues	432
13.10	Accounting for shares issued under a dividend election plan	433
13.11	Required disclosures for equity	437
13.12	Reserves	437
	Summary	440
	Key terms	441

	Further reading	441
	End-of-chapter exercise	441
	Solution to end-of-chapter exercise	441
	Review questions	442
	References	445
<i>Chapter 14</i>	<i>Accounting for financial instruments</i>	<i>447</i>
14.1	Financial instruments defined	448
14.2	Issues surrounding FRS-31	451
14.3	Development of AASB 1033	456
14.4	Derivative financial instruments	458
14.5	Compound financial instruments	471
14.6	Disclosure requirements	474
	Summary	475
	Key terms	476
	End-of-chapter exercise	476
	Solution to end-of-chapter exercise	476
	Review questions	478
<i>Chapter 15</i>	<i>Revenue recognition issues</i>	<i>481</i>
15.1	Introduction	482
15.2	Definition and measurement of revenue	482
15.3	Revenue recognition	484
15.4	Recognition of revenue under various circumstances	489
15.5	Accounting for sales with associated conditions	494
15.6	Unearned revenue	497
15.7	Disclosures	497
15.8	Accounting for construction contracts	498
	Summary	508
	Key terms	509
	End-of-chapter exercise	509
	Solution to end-of-chapter exercise	510
	Review questions	513
	Challenging questions	515
	References	515
<i>Chapter 16</i>	<i>Statement of financial performance and statement of movements in equity</i>	<i>517</i>
16.1	Introduction	518
16.2	The disclosure of operating surplus (deficit)	519
16.3	Operating surplus or deficit:	
	the first part of the statement of financial performance	520
16.4	Extraordinary items: the second part of the statement of financial performance	524
16.5	Incentives to disclose items as either non-recurring or extraordinary	529
16.6	Statement of movements in equity	529
16.7	Other disclosures issues: fundamental errors and changes in accounting policies	533
16.8	Surplus (profit) as a guide to an organisation's success	544
	Summary	546
	Key terms	547
	Further reading	547

	End-of-chapter exercise	547
	Solution to end-of-chapter exercise	548
	Review questions	549
	Challenging questions	550
	References	551
Chapter 17	<i>Accounting for income taxes</i>	553
17.1	Introduction	554
17.2	Intra-period tax allocation	554
17.3	Inter-period tax allocation (tax-effect accounting)	555
17.4	More about permanent and timing differences	560
17.5	Changes in the tax rates	561
17.6	Financial statement presentation	561
17.7	Tax-effect accounting worksheet	563
17.8	Revaluation of fixed assets	565
17.9	Treatment of tax losses	566
17.10	Transfer of tax losses	568
17.11	The partial basis of deferred taxation	570
17.12	‘Assets’ and ‘liabilities’ in tax-effect accounting	574
17.13	The balance-sheet approach to accounting for taxation	575
17.14	The tax base of assets and liabilities: further considerations	581
17.15	Deferred tax assets and liabilities	585
17.16	Unused tax losses	588
17.17	Permanent differences	590
17.18	Revaluation of assets	591
17.19	Comprehensive example	595
17.20	Disclosures	597
17.21	Evaluation of the balance-sheet approach	598
	Summary	599
	Key terms	600
	Further reading	600
	End-of-chapter exercise—income-statement approach	600
	Solution to end-of-chapter exercise—income-statement approach	601
	End-of-chapter exercise—balance-sheet approach	602
	Solution to end-of-chapter exercise—balance-sheet approach	603
	Review questions	605
	Challenging questions	608
	References	611
Part 5	Accounting for cash flows	613
Chapter 18	<i>Statement of cash flows</i>	615
18.1	Introduction	616
18.2	Comparison with other financial statements	616
18.3	Defining ‘cash’	618
18.4	Classification of cash flows	620
18.5	Format of statement of cash flows	620
18.6	Calculating cash inflows and outflows	625
18.7	Contractual implications	640

	Summary	640
	Key terms	641
	End-of-chapter exercise	642
	Solution to end-of-chapter exercise	643
	Review questions	647
	Challenging questions	650
	References	654
Part 6	Industry-specific accounting issues	655
<i>Chapter 19</i>	<i>Accounting for extractive industries</i>	<i>657</i>
19.1	Introduction	658
19.2	Alternative methods to account for preproduction costs	659
19.3	Disclosure requirements	666
19.4	Research on accounting regulation of preproduction expenditures	672
19.5	Other developments in extractive industry reporting	673
	Summary	675
	Key terms	676
	End-of-chapter exercise	676
	Review questions	677
	References	679
<i>Chapter 20</i>	<i>Financial reporting of insurance activities</i>	<i>681</i>
20.1	Introduction	682
20.2	Recognition of insurance premium revenue	683
20.3	Insurance claims	684
20.4	Assets	685
20.5	Disclosure requirements	688
20.6	Consistency with other financial reporting standards	690
20.7	Australian opposition to AASB-1023	691
	Summary	695
	Key terms	696
	End-of-chapter exercise	696
	Review questions	697
	References	697
<i>Chapter 21</i>	<i>Accounting for superannuation schemes</i>	<i>699</i>
21.1	Introduction	700
21.2	Classification of superannuation plans	703
21.3	Measurement rules	704
21.4	Financial reporting for a defined-benefit superannuation scheme	708
21.5	Presentation of financial reports for a defined-contribution superannuation scheme	713
21.6	Disclosure requirements	715
	Summary	716
	Key terms	717
	End-of-chapter exercise	717
	Solution to end-of-chapter exercise	718
	Review questions	720
	Challenging questions	721

Part 7	Other disclosure issues	725
<i>Chapter 22</i>	<i>Events after balance date</i>	<i>727</i>
22.1	Introduction	728
22.2	Events after balance date	729
22.3	Dividends proposed or declared after balance date	732
22.4	Going-concern assumption	733
22.5	Disclosure requirements	734
	Summary	736
	Key terms	737
	Further reading	737
	End-of-chapter exercise	737
	Review questions	737
	Challenging questions	737
<i>Chapter 23</i>	<i>Financial reporting for segments</i>	<i>741</i>
23.1	Segment reporting	742
23.2	Disclosure of segment information	748
23.3	Disclosure requirements	750
	Summary	756
	Key terms	757
	End-of-chapter exercise	757
	Solution to end-of-chapter exercise	758
	Review questions	758
	Challenging questions	759
	References	762
<i>Chapter 24</i>	<i>Related-party disclosures</i>	<i>763</i>
24.1	Related-party relationships defined	764
24.2	Disclosure requirements	772
24.3	Examples of related-party disclosure notes	782
	Summary	794
	Key terms	795
	Further reading	795
	End-of-chapter exercise	795
	Review questions	795
	Challenging questions	796
	References	796
<i>Chapter 25</i>	<i>Earnings per share</i>	<i>797</i>
25.1	Introduction	798
25.2	Computation of basic earnings per share	798
25.3	Diluted earnings per share	806
25.4	Presentation and disclosure	812
	Summary	814
	Key terms	815
	End-of-chapter exercise	815
	Solution to end-of-chapter exercise	815
	Review questions	818
	Challenging questions	821

	References	822
Part 8	Accounting for equity interests in other entities	823
<i>Chapter 26</i>	<i>Accounting for group structures</i>	825
26.1	Introduction	826
26.2	Rationale for consolidating the accounts of different legal entities	826
26.3	Development of the financial reporting standard on consolidated financial statements	826
26.4	Alternative consolidation concepts	832
26.5	The concept of control	834
26.6	Accounting for the consolidation of separate legal entities	838
26.7	Recognition of a discount on acquisition	843
26.8	Subsidiaries' assets not recorded at fair values	845
26.9	Consolidation after date of acquisition	849
26.10	Disclosure requirements	851
	Summary	855
	Key terms	855
	End-of-chapter exercise	856
	Solution to end-of-chapter exercise	857
	Review questions	859
	Challenging questions	862
	References	864
