

## Meet LifeSmart . . .

*LifeSmart* was designed with YOU in mind. Through real-world examples, career applications, and online interactivities, *LifeSmart* offers a dynamic learning experience designed for today's students.

# What's Inside?

"Take a Stand" asks you to take an informed position on a controversial issue.

"Tech Trends" show how technology can aid in understanding human development.

## Career Apps

"Career Apps" apply the concepts of human development to real-life careers.

"Connect Psychology" is a response to the learning preferences of today's student. The groundbreaking adaptive diagnostic tool helps students "know what they know" while guiding them to experience and learn what they don't know through engaging interactivities, exercises, and readings.

"Featured Media" connects popular movies and television shows to topics in the chapter, helping to bring key concepts to life.

## perspectives on Diversity

"Perspectives on Diversity" discuss human development in the context of race, ethnicity, and cross-cultural issues.

"Chapter Review Test" allows you to check your mastery of core concepts.

*My friend has a **baby**. I'm recording all the **noises** he makes so later I can ask him **what he meant**.*
