Preface	xxi
Prologue, by David Gordon	I

## CHAPTER I

---

<i>Attitudes Toward Death: A Climate of Change</i>	5
Expressions of Attitudes Toward Death	6
Mass Media	6
In the News	6
Entertaining Death	8
Language	10
Music	12
Literature	15
Visual Arts	17
Humor	22
Living with Awareness of Death	24
Contemplating Mortality	24
Dimensions of Thanatology	25
Death Anxiety and Fear of Death	27
Terror Management	29
Studying Death and Dying	30
The Rise of Death Education	30
Pioneers in Death Studies	31
Factors Affecting Familiarity with Death	33
Life Expectancy and Mortality Rates	35
Causes of Death	37
Geographic Mobility and Intergenerational Contact	39
Life-Extending Technologies	39
Examining Assumptions	41
Death in a Cosmopolitan Society	41
Exploring Your Own Losses and Attitudes	43
Further Readings	44

## CHAPTER 2

---

<i>Learning About Death: The Influence of Sociocultural Forces</i>	47
A Mature Concept of Death	48
Development of the Understanding of Death	50
Infancy and Toddlerhood	53
Early Childhood	54
Middle Childhood or School-Age Period	57
Adolescence	58
The Evolution of a Mature Concept of Death	60
Sociocultural Influences on Our Understanding of Death	61
Agents of Socialization	62
Family	63
School and Peers	66
Mass Media and Children's Literature	67
Religion	69
Teachable Moments	70
Experiences with Death	73
Theoretical Perspectives on Society and Culture	78
Social Structure	78
Symbolic Interactionism	79
Social Learning	81
The Mature Concept of Death Revisited	82
Further Readings	83

## CHAPTER 3

---

<i>Perspectives on Death: Cultural and Historical</i>	85
Traditional Cultures	86
Origin of Death	86
Causes of Death	89
Power of the Dead	90
Names of the Dead	92
Western Culture	93
Dying and the Deathbed Scene	96
Burial Customs	98
Charnel Houses	98
Memorializing the Dead	100

The Dance of Death	101
Invisible Death?	103
Cultural Case Studies	103
Native American Traditions	103
African Traditions	109
Mexican Traditions	113
Asian Traditions	118
Celtic Traditions	123
Mixed Plate: Cultural Diversity in Hawaii	125
Characteristics of Hawaii's Peoples	125
Assimilation and Accommodation in Death Rites	127
Death in Contemporary Multicultural Societies	129
Further Readings	130

## CHAPTER 4

---

### *Death Systems: Mortality and Society*

133

Disasters	134
Reducing the Impact of Disasters	135
Coping with the Aftermath of Disaster	137
Hurricane Katrina: A Case Example	139
Homicide and Capital Punishment	140
Assessing the Homicidal Act	140
Capital Punishment	143
Defining Death	144
Conventional Signs of Death and New Technology	146
Conceptual and Empirical Criteria	148
Four Approaches to the Definition and Determination of Death	149
Irreversible Loss of Flow of Vital Fluids	149
Irreversible Loss of the Soul from the Body	149
Irreversible Loss of the Capacity for Bodily Integration	152
Irreversible Loss of the Capacity for Consciousness or Social Interaction	153
The Uniform Determination of Death Act	154
Organ Transplantation and Organ Donation	156
Medical Ethics: A Cross-Cultural Example	161
Certification of Death	164
Death Notification	167

The Coroner and the Medical Examiner	170
Autopsies	171
The Impact of the Death System	174
Further Readings	174

## CHAPTER 5

---

<i>Health Care: Patients, Staff, and Institutions</i>	177
Modern Health Care	178
Health Care Financing	180
Rationing Scarce Resources	182
The Caregiver-Patient Relationship	183
Disclosing a Life-Threatening Diagnosis	183
Achieving Clear Communication	186
Providing Total Care	188
Care of the Dying	188
Hospice and Palliative Care	189
The Principles of Hospice and Palliative Care	190
The Origins of Hospice and Palliative Care	192
Hospice Programs and Hospital-Based Palliative Care	194
Challenges for Hospice and Palliative Care	195
Recent Developments in Hospice and Palliative Care	197
Home Care	199
Social Support	200
Elder Care	201
Trauma and Emergency Care	203
Caregiver Stress	205
Being with Someone Who Is Dying	208
Further Readings	208

## CHAPTER 6

---

<i>End-of-Life Issues and Decisions</i>	211
Principles of Medical Ethics	212
Informed Consent to Treatment	213

Principles of Informed Consent	213
Preferences Regarding Informed Consent	216
Choosing Death	218
Withholding or Withdrawing Treatment	222
Physician-Assisted Death	222
The Rule of Double Effect	225
Euthanasia	226
Palliative Care and the Right to Die	227
Nutrition and Hydration	228
Seriously Ill Newborns	229
Advance Directives	231
Using Advance Directives	235
Advance Directives and Emergency Care	237
Wills and Inheritance	238
Definitions and Elements of Wills	239
The Formally Executed Will	243
Amending or Revoking a Will	243
Probate	243
The Duties of the Executor or Administrator	244
Avoiding Probate	247
Laws of Intestate Succession	248
Insurance and Death Benefits	248
Considering End-of-Life Issues and Decisions	251
Further Readings	253

## CHAPTER 7

---

### *Facing Death: Living with Life-Threatening Illness* 255

Personal and Social Meanings of Life-Threatening Illness	256
Coping with Life-Threatening Illness	258
Awareness of Dying	259
Adapting to “Living-Dying”	260
Patterns of Coping	264
Maintaining Coping Potency	266
Treatment Options and Issues	268
Surgery	271
Radiation Therapy	272
Chemotherapy	273
Alternative Therapies	273

Complementary Therapies	275
Unorthodox Treatment	276
Pain Management	277
The Language of Pain	278
Treating Pain	278
The Dying Trajectory	281
The Social Role of the Dying Patient	284
Further Readings	286

## CHAPTER 8

---

### *Last Rites: Funerals and Body Disposition* 289

Psychosocial Aspects of Last Rites	292
Announcement of Death	292
Mutual Support	295
Impetus for Coping with Loss	296
Funerals in the United States	297
The Rise of Professional Funeral Services	298
Criticisms of Funeral Practices	300
New Directions in Funerals and Body Disposition	303
New and Rediscovered Memorial Choices	306
Selecting Funeral Services	308
Funeral Service Charges	310
Comparing the Costs	311
Professional Services	311
Embalming	312
Caskets	314
Outer Burial Containers	315
Facilities and Vehicles	315
Miscellaneous Charges	317
Direct Cremations and Immediate Burials	317
Funeral and Memorial Societies	317
Body Disposition	317
Burial	320
Cremation	322
Memorialization	324
Laws Regulating Body Disposition	326
Making Meaningful Choices	326
Further Readings	330

*Survivors: Understanding the Experience of Loss*

333

Bereavement, Grief, and Mourning	334
Models of Grief	337
Working Through Grief	337
Continuing Bonds with the Deceased	339
Telling the “Story”: Narrative Approaches	341
The Dual-Process Model of Coping	342
The Two-Track Model of Bereavement	342
The Tasks of Mourning	344
Toward an Integrated Model of Grief	345
The Experience of Grief	346
Mental Versus Emotional Responses	346
The Course of Grief	347
The Duration of Grief	349
Complications of Grief	350
The Mortality of Bereavement	353
Variables Influencing Grief	354
Survivor’s Model of the World	355
Personality	355
Cultural Context and Social Roles	356
Perceived Relationship with the Deceased	356
Values and Beliefs	358
Coping Patterns and Gender Stereotypes	359
Mode of Death	361
Anticipated Death	362
Sudden Death	362
Suicide	363
Homicide	363
Disaster	364
Multiple Losses and Bereavement Burnout	364
Social Support and Disenfranchised Grief	365
Unfinished Business	366
Support for the Bereaved	367
Grief Counseling and Grief Therapy	370
Leave-Taking Rituals and Linking Objects	372
Bereavement as an Opportunity for Growth	372
Further Readings	374

*Death in the Lives of Children and Adolescents*

377

Children with Life-Threatening Illnesses	379
The Child's Perception of Serious Illness	380
The Child's Coping Mechanisms	382
Decisions About Medical Treatment	383
Pediatric Hospice and Palliative Care	384
Caring for a Seriously Ill Child	385
Children as Survivors of a Close Death	386
The Bereaved Child's Experience of Grief	386
The Death of a Pet	389
The Death of a Parent	392
The Death of a Sibling	394
Support Groups for Children	398
Helping Children Cope with Change and Loss	399
Guidelines for Sharing Information	400
Discussing Death Before a Crisis Occurs	400
When a Family Member Is Seriously Ill	402
In the Aftermath of Loss	403
Using Books as Tools for Coping	406
Further Readings	413

*Death in the Lives of Adults*

415

Parental Bereavement	417
Coping with Parental Bereavement as a Couple	418
Childbearing Losses	420
Miscarriage	421
Induced Abortion	421
Stillbirth	423
Neonatal Death	424
Sudden Infant Death Syndrome	425
Grief for "Unlived" Lives	426
The Death of an Older Child	427
The Death of an Adult Child	428
Social Support in Parental Bereavement	429

The Death of a Parent	429
Spousal Bereavement	431
Factors Influencing Spousal Bereavement	433
Social Support for Bereaved Spouses	435
The Death of a Friend	436
Aging and the Aged	436
Further Readings	441

## CHAPTER I 2

---

### *Suicide*

443

Comprehending Suicide	444
Statistical Issues	445
The Psychological Autopsy	447
Explanatory Theories of Suicide	448
The Social Context of Suicide	449
Degree of Social Integration	449
Degree of Social Regulation	452
Psychological Insights About Suicide	454
Toward an Integrated Understanding of Suicide	455
Some Types of Suicide	456
Suicide as Escape	457
Cry for Help	459
Subintentioned and Chronic Suicide	461
Risk Factors Influencing Suicide	461
Culture	461
Personality	464
The Individual Situation	464
Life-Span Perspectives on Suicide	466
Childhood	466
Adolescence and Young Adulthood	467
Middle Adulthood	470
Late Adulthood	471
Contemplating Suicide	472
Suicide Notes	474

Suicide Prevention, Intervention, and Postvention	475
Prevention	476
Intervention	477
Postvention	477
Helping a Person Who Is in Suicidal Crisis	478
Further Readings	481

## CHAPTER 13

---

### *Risks, Perils, and Traumatic Death* 483

Risk Taking	484
Accidents	486
Violence	488
Random Violence	489
Serial Killers and Mass Murderers	490
Steps Toward Reducing Violence	490
War	493
Technological Alienation	494
The Conversion of the Warrior	495
Coping with the Aftermath of War	497
Making War, Making Peace	500
Genocide	500
Terrorism	502
September 11, 2001	504
Rescue, Recovery, and Mourning	506
The Mind of the Terrorist	508
AIDS and Other Emerging Diseases	510
The Response to AIDS	511
Living with AIDS	512
The Threat of Emerging Diseases	513
Traumatic Death	516
Coping with Threats	516
Further Readings	517

## CHAPTER 14

---

### *Beyond Death / After Life* 519

Traditional Concepts About Life After Death	520
Jewish Beliefs About Death and Resurrection	522
Classical Greek Concepts of Immortality	524
Christian Beliefs About the Afterlife	526
The Afterlife in Islamic Tradition	529
Death and Immortality in Asian Religions	530
Hindu Teachings About Death and Rebirth	531
The Buddhist Understanding of Death	534
After-Death States in Tibetan Buddhism	536
The Consolations of Religion	537
Secular Concepts of Immortality	539
Near-Death Experiences: At the Threshold of Death	541
NDEs: A Composite Picture	542
Dimensions of Near-Death Experiences	542
Interpreting Near-Death Experiences	545
Death Themes in Dreams and Psychedelic Experiences	550
Beliefs About Death: A Wall or a Door?	552
Further Readings	553

## CHAPTER 15

---

### *The Path Ahead: Personal and Social Choices* 555

Exploring Death and Dying	556
Cultural Competence	558
New Directions in Thanatology	560
Gaining a Global Perspective	560
Bridging Research and Practice	566
Creating Compassionate Cities	567
Living with Death and Dying	570
Humanizing Death and Dying	570
Defining the Good Death	573

Death in the Future	577
Postscript and Farewell	581
Further Readings	582
<i>Epilogue, by David Gordon</i>	583
<i>Notes</i>	585
<i>Credits and Sources</i>	649
<i>Name Index</i>	655
<i>Subject Index</i>	671
