# Chapter 6 - Kitchen Safety

**Directions** As you read, write five steps you can take to be prepared for kitchen emergencies.

| Prepare for Kitchen Emergencies |  |
|---------------------------------|--|
| 1.                              |  |
| 2.                              |  |
| 3.                              |  |
| 4.                              |  |
| 5.                              |  |
