

DOWNLOAD QUICKBOOKS DESKTOP 2021

STUDENTS

To download QuickBooks Desktop 2021, link to <https://intuit.me/mh-desktop>. QuickBooks Desktop software can be used for five months. To confirm eligibility and unlock the free license for QuickBooks Desktop 2021, complete the **QuickBooks Desktop for Students** form. On the form, complete your Personal information and School information. In the QuickBooks Desktop version field, select 2021 > select .

Once your information is verified, students receive an email from Verify@sheerID.com. The email provides directions to download, install, and register the software. For more information, refer to Chapter 1, Five-Month Trial for Students.

EDUCATORS

Educators can sign up for QuickBooks Desktop software [here](#). Educators and staff at accredited academic institutions in the United States are eligible. Complete the form to confirm your eligibility and unlock your free license for QuickBooks Desktop.

As long as the educator meets Intuit Education eligibility requirements, the Educator license does not expire.

For system requirements, click [here](#).
