

Acknowledgements

We are indebted to a large number of people of the teaching and research field for their consistent support and help in bringing out this text in a book form. We would like to take the opportunity to acknowledge and thank the contribution of the reviewers whose valuable comments, suggestions, creative criticism and praise helped to improve this comprehensive text.

We thank and appreciate the suggestions, interactions and consistent meticulous efforts of **Mr. Vedant Dwivedi**, Research Scholar, IIT Madras, in preparing the manuscript. We express our gratitude to **Dr. SL Nema, (Ex Professor)**, Department of Mechanical Engineering, MANIT, Bhopal, **Dr. SPS Rajput**, Professor, Department of Mechanical Engineering, MANIT, Bhopal, and **Dr. RD Misra**, Professor, Department of Mechanical Engineering, NIT, Silchar, for their suggestions. We would also like to mention the following names to thank them for their valuable thoughts and comments that positively contributed towards the development of this book:

- | | |
|-------------------------------|---|
| Dr. N. Sitaram | <i>IIT Madras, Chennai</i> |
| Dr. A M Pradeep | <i>Indian Institute of Technology Bombay, Mumbai</i> |
| Dr. Amit Kohli | <i>Research Scholar, University of Arizona, USA</i> |
| Suvanjan Bhattacharyya | <i>MCKV Institute of Engineering, West Bengal University of Technology</i> |
| Dr. Ashwani Kumar | <i>Chandigarh College of Engineering and Technology, Punjab University, Chandigarh</i> |
| Dr. Nakul Gupta | <i>B.N. College of Engineering and Technology, Dr. A.P.J. Abdul Kalam Technical University, Lucknow</i> |
| Virendra Kumar Verma | <i>JECRC Foundation Jaipur, Rajasthan Technical University</i> |

We take the opportunity to express our sincere thanks to **Vaishali Thapliyal, Shehla Mirza, Anuj Shrivastava** and **Pankaj Kalmegh**, of McGraw Hill Education (India) for their continuous efforts in producing the book.

We wish to extend our gratitude to our spouses, **Dr. Lata Tripathi, Mrs. Vageeswari Prasad** and **Mr. Sudhir Nema** respectively, and family members for the patience, understanding, and providing conducive environment and support.
